"Profane, profound, and ridiculously violent, Doc Frankenstein is the unholy creation of some of the best visual storytellers alive."
– Brian K. Vaughan

From Lana Wachowski's introduction:

"Things change right?... For most of us 'change' means uncertainty and uncertainty makes us anxious. Again paradoxically, for many 'change' is the one thing that can save our lives. Lily and I began this book known publicly as 'brothers.' We are finishing it as 'sisters'... Now, after all these years, you might wonder why we are bothering to finish a story that so many have already forgotten about... The truth is I never forgot about it... and while many things have changed since we began this book, several crucial things have not changed; I still love comics. I love Steve's art and think some of his best stuff he's done is in this book. And I love Frankenstein."

DOC
FRANKENSTEIN

"A riotously inventive, genre-smooshing creation of brains, heart, action and soul; and a glimpse of Utopia for our dark times."
– David Mitchell

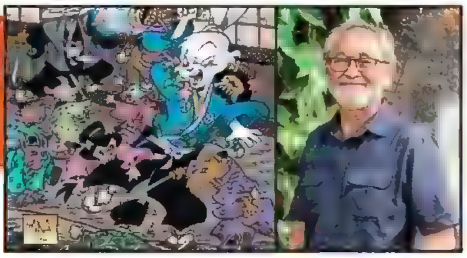
VIDEO GAME MONTH

PREVIEWS presses "Start" and applies the patented code (Up, Up, Down, Down, Left, Right, Left, Right, A-B-B-A) for our annual celebration of all things Video Game-related! Video Game properties continue to be popular source material for ongoing comics series, with titles such as *Assassin's Creed*, *MediEvil*, *Bloodborne*, *Life is Strange*, *Wolfenstein*, *Quake*, *Sea of Thieves*, *Fortnite*, *Dark Souls*, *Darkstalkers*, *Street Fighter*, *Sonic*, *Pokemon* and many more are taking their stories beyond your screen and onto the printed page for adventures that go beyond the pixels! Throughout this issue we've marked the latest and greatest video game-related titles with our "Video Game Month" icon! So, get Ready Player One, and check out this month's offerings on **pages 226-227**!

INDIE EDGE: STAN SAKAI



Stan Sakai is the subject of our latest "Indie Edge" mini-interview, discussing his long career as the creator of the ronin rabbit, *Usagi Yojimbo*, his role as letterer to other comics, his favorite projects, and current must-reads! See **page 12**!

VIDEO GAME MONTH: TITAN COMICS' CHRIS SORRELL & JASON WILSON

The classic Burton-esque hack-n-slash video game, *MediEvil* is returning to the PS4 this year, and Chris Sorrel, the original game's director, and lead artist Jason Wilson, are here to discuss Titan Comics' new series! See **page 27**!

GAME ON!

I've been a video game enthusiast for years. I mean, YEARS. My first console was the Sears Telstar Ranger system that featured Pong and many variations on the game, including a shooting gallery-style game that used a Colt six-shooter light gun to shoot targets. Yeah, it's just like it sounds: modern stone age!

The Atari 2600 soon followed after that. And it was several years before a new console would take up my time: the Nintendo Entertainment System. I still have that 8-bit pioneer system, along with its descendants: Super Nintendo, N-64, Game Cube. And during the "Nintendo Years", I collected other systems along the way: Intellivision I and II, Odyssey, ColecoVision, Dreamcast, Atari 800XL, and one of my favorite retro consoles, the Vectrex (look it up)!

You may notice that I nowhere mentioned the Playstation or its later models. Well, I did get a PS1. But a generous friend at the time bought me an Xbox for Christmas one year, and I've been with the system ever since!

Currently I'm playing FALLOUT 76 and enjoying myself adventuring about the post-apocalyptic Appalachian wilderness of West Virginia. I have a homestead, vending machines to sell my wares, and several suits of Power Armor for every occasion. As I write this, Grahm the Super-Mutant's "Meat Week" barbeque event is winding to a close, and I have yet to have enough prime meat in my inventory to grill up a proper feast. Still, there's a couple of days left…

If you're on Xbox Live, and want to team up some time, just look for me online as "Toneman360"!

All this game talk is due to this month's issue being dedicated to the theme of VIDEO GAMES. Once the perceived "enemy" of comics (they are quite distracting), the comics and video game industries seem to have found a happy medium between them, with the comics adapting the games, and vice versa. We've got a bunch of great Video Game-related titles and products throughout this issue, check out our recommendations on pages 226-227 of this issue!

I'll be traveling back home to California this month to visit family and friends, and have some great activities planned for my visit to Southern California before heading home to Sacramento. I cannot wait to see my friends at A-1 Comics!

There's plenty more going on in this issue, so by all means — grab a beverage, claim your spot on the sofa or your favorite chair, and dig into this issue! Me? I'm going home to play *Fallout 76*… I mean, those mutant Radstags, Possums and Molerats aren't going to barbeque themselves now, are they!?

Your Pal @ ***PREVIEWS***,

Marty

It's all work *and* lots of fun at the fictional Berke's Comic Shop in our new strip, ***Comic Shop Tales***! Come back each month for a new tale, and go online at ***PREVIEWS***world.**com** for more strips during the month!

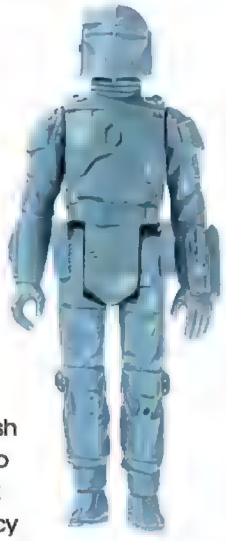
Where The Magic Of Collectibles Comes Alive!



HAKE'S AUCTIONS SUMMER AUCTION HEATS UP TO $1.5 MILLION

Temperatures and prices were high when Hake's Auction #227 rose to a total of $1.5 million. Leading the charge, was *The Empire Strikes Back* special rocket-firing Boba Fett action figure prototype, which sold for $112,926. The prototype sale set a new world record for a *Star Wars* toy and was the first *Star Wars* toy to surpass the six-figure mark in an auction.

Topping the original comic art was the Dave Cockrum title splash page original art for *X-Men* Vol. 1 #95 that reached $75,673. A trio of *Peanuts* daily strip original art personalized by Charles Schulz to Louanne Van Pelt, the girl who served as the inspiration for Lucy Van Pelt, sold for a combined $63,242. Notable sales also included a Meccano *Star Wars* vinyl cape Jawa figure for $32,450 and the Family Dog "A Tribal Stomp" first printing concert poster for $24,780.

BATMAN MAKES LIVE-ACTION DEBUT IN MOVIE SERIALS

As comic books continued gaining popularity in the early 1940s, transitioning those superheroes to movies was a natural next step. The Caped Crusader made his film debut in *The Batman*, which premiered in July 1943 just four years after his introduction in comics. The 15-chapter serial sees Batman and Robin as US secret agents who work to stop an organized crime ring in Gotham.

He returned to the big screen in 1949's *New Adventures of Batman and Robin* for another 15-chapter serial. This time the Dynamic Duo faced the Wizard, a hooded mastermind who holds the city for ransom by disrupting all the city's cars and trains. It would be 17 years before Batman returned to the big screen for *Batman: The Movie*.

MAGIC CARDS TOP WEISS AUCTIONS WITH $608,215 RESULT

Three complete sets of significant, early *Magic: The Gathering* cards from 1993 – the complete *Alpha*, *Beta*, and *Arabian Nights* sets, with many BGS-graded examples in each – sold for a combined $608,215 at Weiss Auctions.

The complete 1993 *Alpha* card set was by far the top lot of the auction, finishing at $423,750. The Beta card set was the runner-up top lot, garnering a final bid of $175,150. Finally, the "Arabian Knights" card set rounded out the trilogy, hitting $9,315.

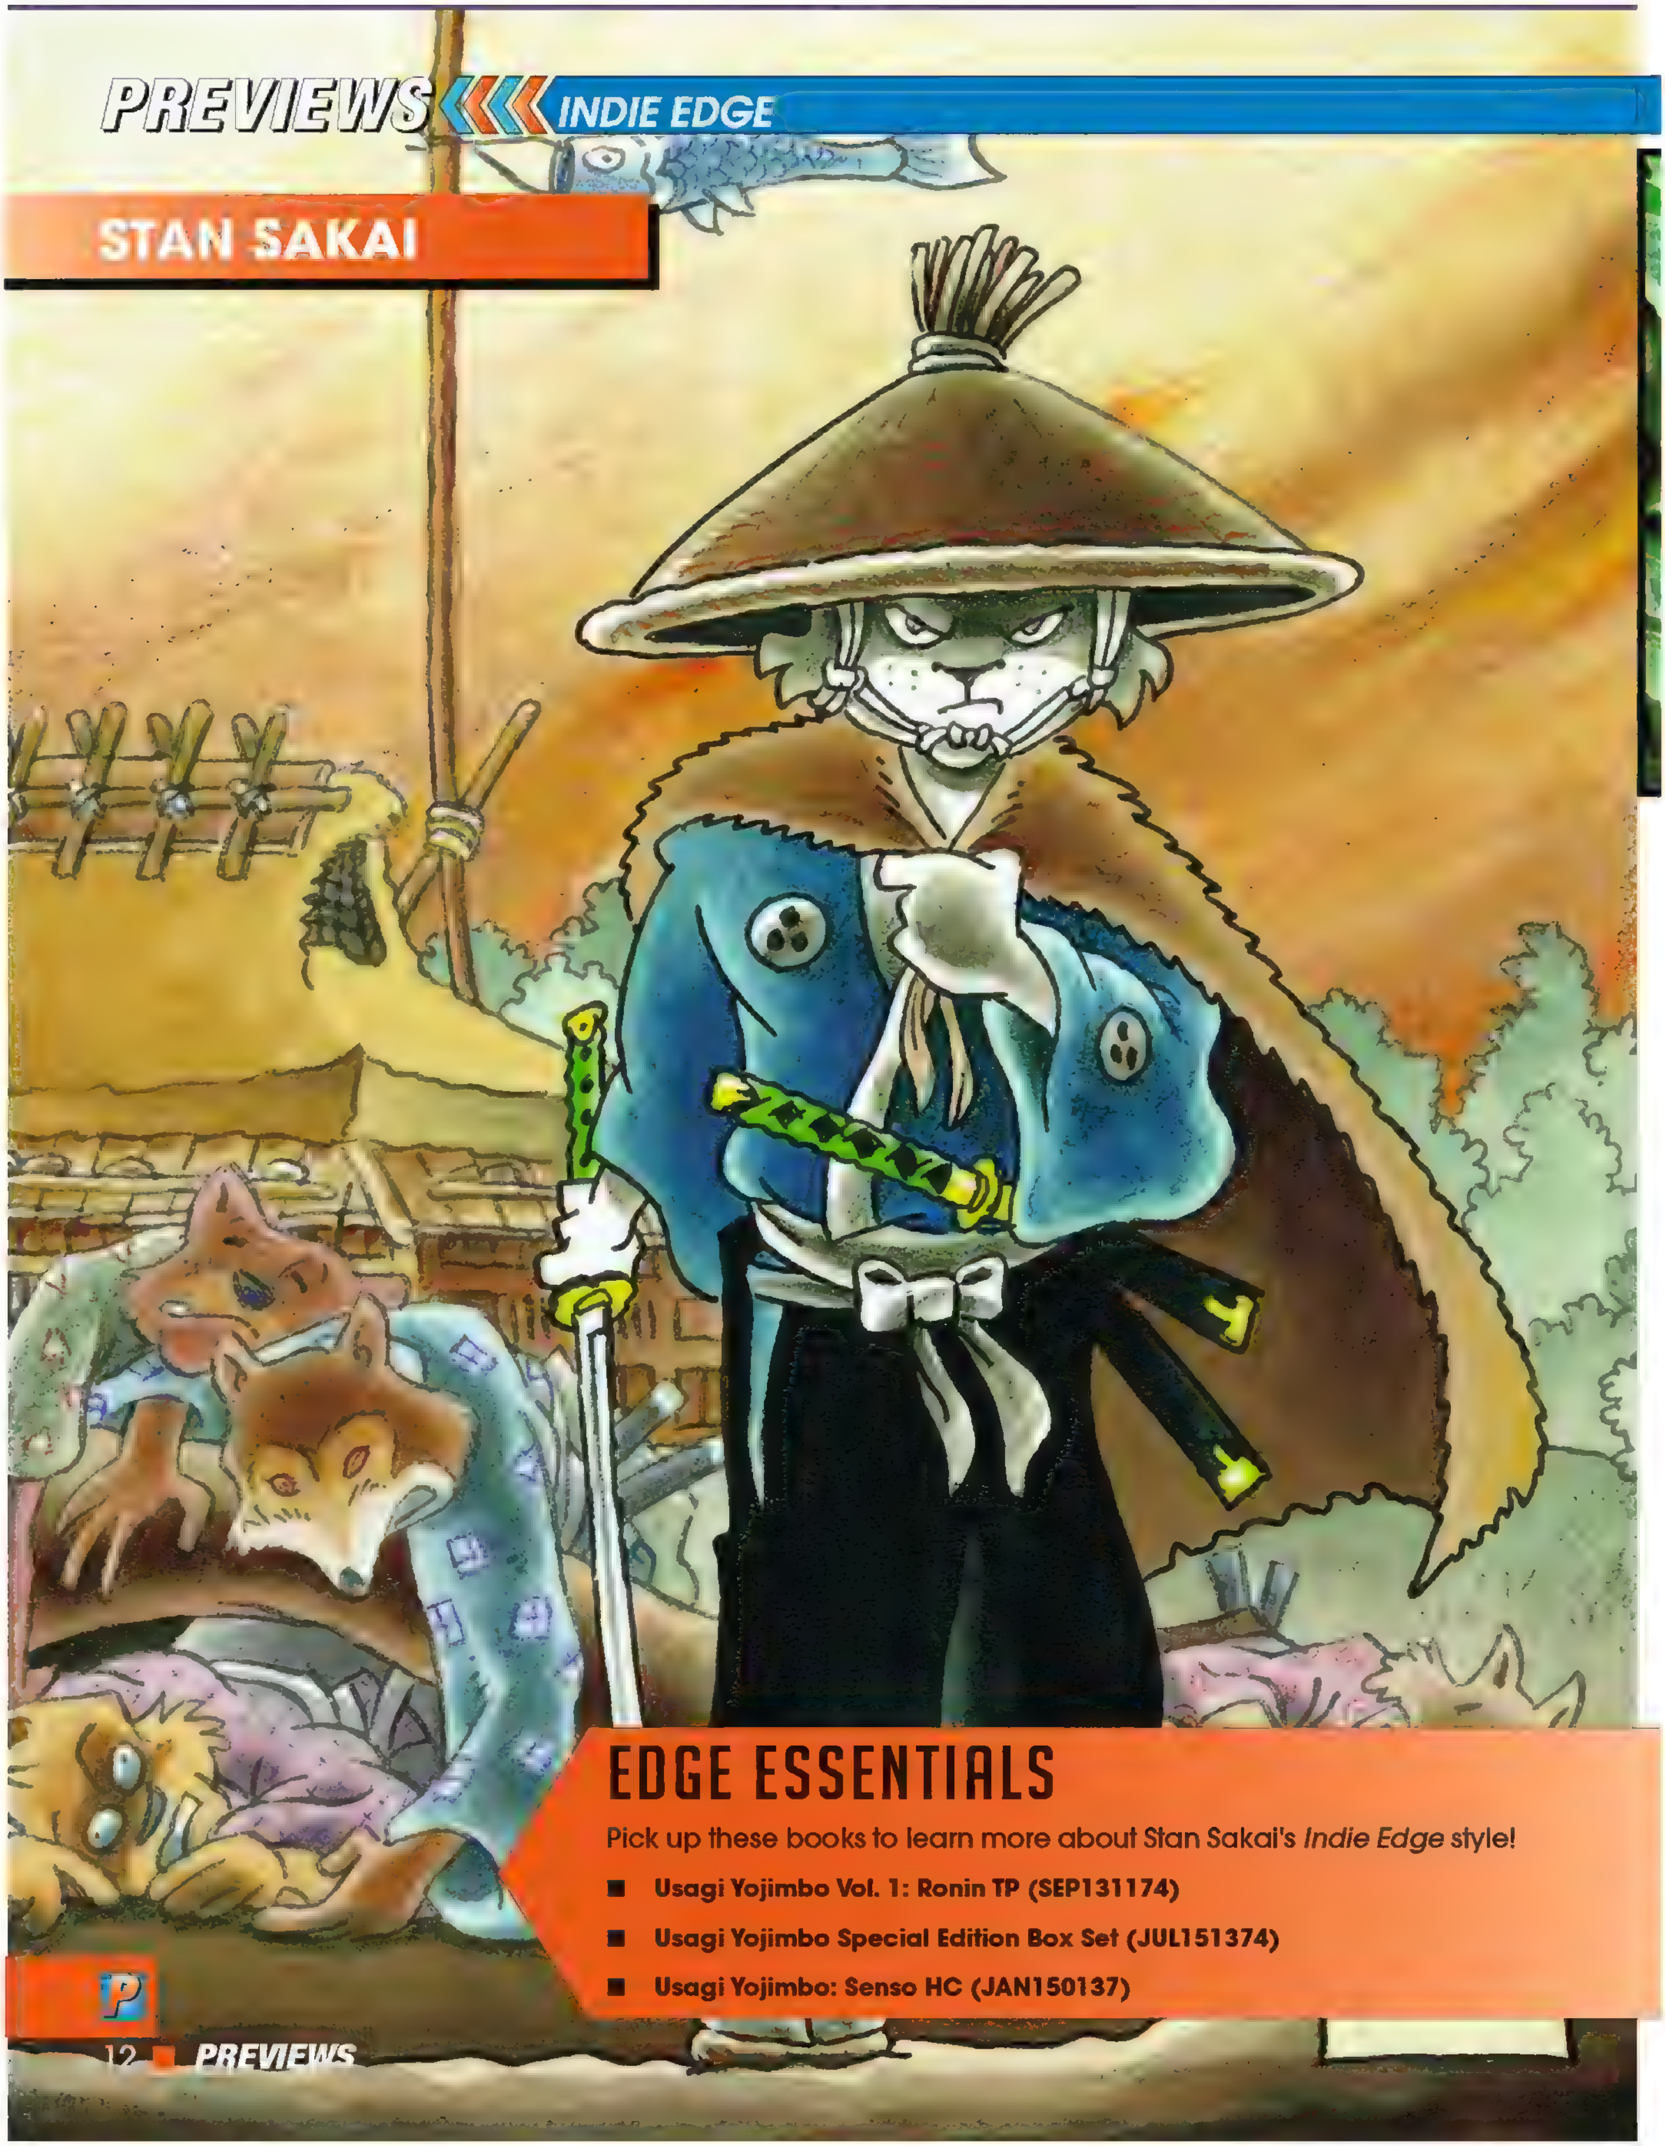
STAN SAKAI



EDGE ESSENTIALS

Pick up these books to learn more about Stan Sakai's *Indie Edge* style!

- **Usagi Yojimbo Vol. 1: Ronin TP (SEP131174)**
- **Usagi Yojimbo Special Edition Box Set (JUL151374)**
- **Usagi Yojimbo: Senso HC (JAN150137)**

Please tell us a bit about yourself!

My name is Stan Sakai, and I am the creator of *Usagi Yojimbo*, celebrating its 35th anniversary this year with a new publisher, IDW Publishing. I am also an award-winning letterer, having worked on Sergio Aragones' *Groo the Wanderer* and the *Spider-Man* Sunday newspaper strips for Stan Lee.

What are your favorite projects you've contributed to over the past decade?

I enjoy working on the current *Usagi Yojimbo* series. Though it has a long history, it is very reader-friendly, so you don't need to know a lot of backstory to get into the series. I also did a retelling of *The 47 Ronin* a few years ago. That is one of the most famous incidents in Japanese history. One of my favorite projects is *Usagi Yojimbo: Senso* (JAN150137) which answers the question: *What if H.G. Wells' Martians had invaded feudal Japan?*

What are you currently working on?

Besides the ongoing *Usagi Yojimbo* series, we are developing an Usagi Yojimbo animated series with Gaumont Entertainment (the world's oldest film studio), James Wan's Atomic Monster, and Dark Horse Entertainment. I am also finishing up lettering *Groo Meets Tarzan*, drawn by Sergio Aragones and Tom Yeates.

What fun titles are you reading?

Three books that I currently enjoy are Walter Simonson's *Ragnarok* (*Vol. 1: Last God Standing* / JUN170574) which explores the post-Twilight of the Gods; Jeff Lemire's *Black Hammer* (Vol. 1: Secret Origins / NOV160051), a unique take on the superhero theme; and *Canto* (#1 3rd Printing / MAY198983), where a clockwork knight goes on a life-changing quest.

Kids today have it so easy. All you have to do to regain your full health is not fight anyone for a while. In my day we had to go punch a trashcan in the street in the hopes of revealing a whole roast chicken we could eat to heal our wounds.

It nettles me that I've never seen a real ghost except that one time in Bethlehem, PA, and my wife says that doesn't count. Probly that's why I have to make up ghost stories. It's frustration.

Confession: my favorite part of the comic writing process is the script revision for the letterer. When you get to put the script and the art side by side for the first time and fine tune it until it works. Simply the best feeling. #makingcomics

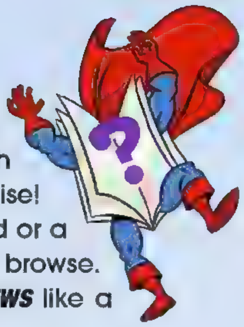
Learn How to Use *PREVIEWS* to Order From Your Comic Shop!

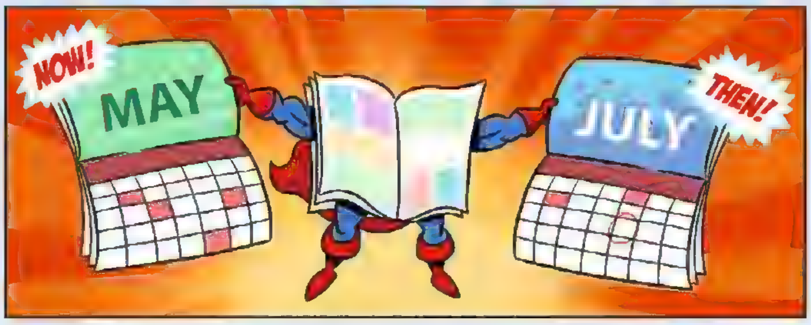
USER'S GUIDE



There's *a lot* of awesome comics and products to look through in ***PREVIEWS***. "A lot" might be a bit of an understatement, as each month's catalog is filled with hundreds and *hundreds* of pages of upcoming comics and related merchandise! It can be easy to accidentally overlook a new series you've been dying to read or a figure you've been pining to add to your shelf when there's so many things to browse. That's why we've put together this guide to help you learn how to use ***PREVIEWS*** like a pro to order the awesome titles and products you want!

WHAT EXACTLY IS *PREVIEWS*?

PREVIEWS is part catalog, part magazine (we call it a *Mag-a-log*!) of monthly listings of all of the upcoming comic titles and related products from your favorite publishers and manufacturers in one convenient place. And don't worry—***PREVIEWS*** is organized by publisher and product type (and color-coded to boot!), to make it easy to find and flip to the section or items you're looking for. Each item listing has the information you need, such as format, size, page count, price, release date, stock or item code, and descriptive text, and nearly every listing is accompanied by artwork or images.



NOW!
MAY
JULY
THEN!

The most important aspect of ***PREVIEWS*** to remember is that **items solicited in the catalog are anticipated to ship 2-3 months later (or more)**. For example, if you found a comic you wanted in the **May** issue of ***PREVIEWS***, you can expect to see it turn up in your local comic shop in **July**. The catalog can be a great resource for figuring out where your favorite comic series is going, or for discovering new ones that you'll want to add to your library—not to mention all the other awesome products!

HOW DO I ORDER FROM *PREVIEWS*?

When you've picked out all of the items you want, you can fill out the **Short Order Form** included in your copy of ***PREVIEWS*** and submit it to your local comic shop. You can also ask your friendly neighborhood retailer about obtaining a **Customer Order Form**, a booklet that contains a complete listing of all the items made available for that month. These forms make pre-ordering your comics and products a breeze and can help your local comic shop decide what to stock in the store for other customers, too! Be sure to also ask your retailer about their **pullbox or subscription service**. Once you've submitted your order, you can sit back and relax, or try to contain your excitement until your comics and merchandise arrive!

HICKMAN AND BRISSON BRING THE SPOTLIGHT BACK TO *NEW MUTANTS* IN DAWN OF X

As a new era begins for the Marvel Universe's mutants, the original New Mutants reunite for an all-new adventure with new members and a new mission into deep space in Jonathan Hickman, Ed Brisson, and Rod Reis' *New Mutants* #1!

The classic team of Sunspot, Wolfsbane, Mirage, Karma, Magik, and Cypher come together for an unexpected new mission — to seek out their absent friend and colleague Cannonball. Their quest will take them and new friends Chamber and Mondo into the stars alongside the Starjammers.

Hickman's best-selling relaunch of Marvel Comics' *X-Men* books continues with New Mutants. Joined by co-writer Ed Brisson (*X-Force*) and artist Rod Reis (*Winter Soldier*), Hickman opens up a new vista for Earth's mutants — the wonders of the galaxy itself — and readers can expect adventure, unimaginable danger, unexpected allies, and unparalleled superheroics in the pages of *New Mutants*.

Explore the stars this autumn as superhero action and outer space adventure collide this October in Jonathan Hickman, Ed Brisson, and Rod Reis' *New Mutants* #1!

IMAGE COMICS'
UNDISCOVERED COUNTRY
BECKONS THIS AUTUMN

Thirty years ago, the United States turned inward and walled itself off from the rest of the world. Once the global hegemon, a technological dynamo and economic engine, a cultural force as had never been seen before… suddenly gone, isolated from the world by its own choice, as though it had never existed. Three decades later, a global pandemic sends a small team into the isolated and wild United States in search of a potential cure in Image Comics' *Undiscovered Country* from writers Scott Snyder (*Dark Nights: Metal*) and Charles Soule (*Letter 44*), artists Giuseppe Camuncoli (*Amazing Spider-Man*) and Daniele Orlandini (*Darth Vader*), and colorist Matt Wilson (*The Wicked and the Divine*).

Described by Snyder at San Diego Comic Con as "a twist-filled trek across a landscape that's alien, mysterious, and full of adventure… like Land of the Lost meets Lewis and Clark," and Soule as, "one of the great thrills of my career," *Undiscovered Country* is packed with imagination, adventure, and humanity, as only five creators collaborating at the top of their game can produce.

Join them on their journey into an unknown and unimaginable America in Image Comics' *Undiscovered Country* this November!

IDW'S *TEENAGE MUTANT NINJA TURTLES* REACHES ITS LANDMARK 100TH ISSUE

The Turtles face their darkest moment as IDW Publishing's *Teenage Mutant Ninja Turtles* reaches its 100th issue this November from writers Tom Waltz and Kevin Eastman and artists Dave Wachter and Mateus Santolouco!

The culmination of eight years of storytelling, "City of War" reaches its climax as the Turtles and their allies face difficult odds and impossible choices. Only in standing together do they have a hope of stemming the tide of evil, but even teamwork may not be enough!

A double-sized issue that features a new cover by *TNNT* cocreators Peter Laird and Kevin Eastman, *Teenage Mutant Ninja Turtles* #100 is a landmark issue that will change the Turtles forever and set the stage for the next 100 issues!

AN OUTCAST IN A FANTASY WORLD SEEKS ANOTHER WORLD IN BOOM!'S *FOLKLORDS*

In a world of magic and monsters, Ansel is haunted by visions of well-pressed suits and modern technology. On his 16th birthday, Ansel decides to seek out a legend that is only spoken in hushed whispers — the Folklords — hoping they can explain his visions... but looking for the Folklords is expressly forbidden and going on a rogue quest is punishable by death. What will Ansel risk to find out about the world he has never truly belonged in?

Matt Kindt and Matt Smith's *Folklords* is the new fantasy series from BOOM! Studios that turns the genre on its head. Folk tales always speak of a realm of magic and faerie just beyond ours, but if you're already in that realm, what lies just beyond that? Ansel is determined to find out, and his quest begins this November in *Folklords* #1!

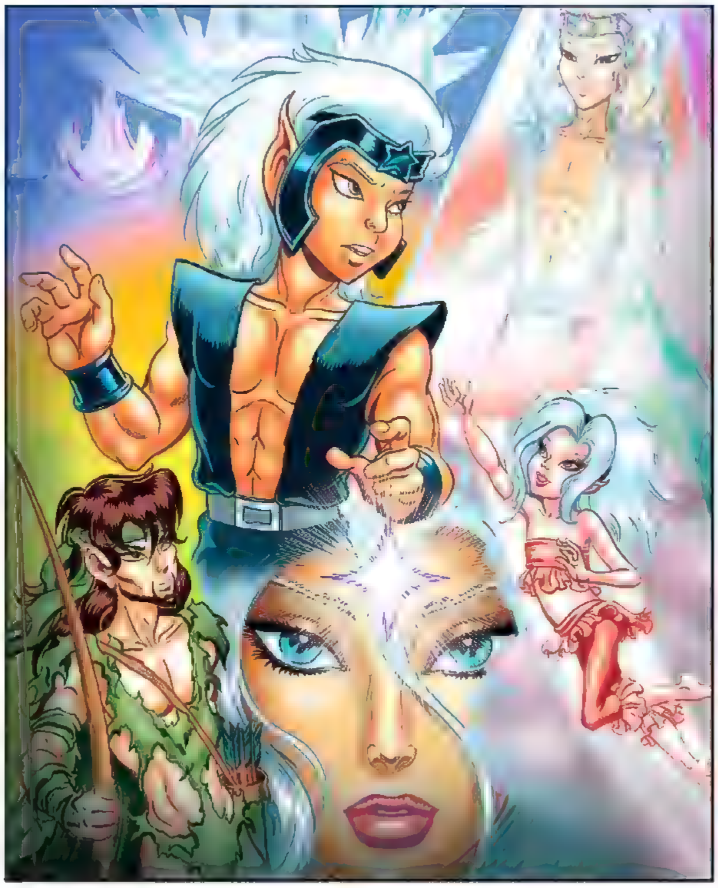
A NEW ERA BEGINS FOR ELFQUEST IN *STARGAZER'S HUNT*



Wendy and Richard Pini return to *ElfQuest* this autumn with the new series, *ElfQuest: Stargazer's Hunt*, from Dark Horse Comics!

While The Final Quest closed the story of Cutter Kinseeker, the adventure cotninues as Skywise, Cutter's "brother in all but blood," takes center stage for a story that will take him from Star Home, the ancestral home of the Elves, back to the World of the Two Moons to uncover the mystery behind the tragic accident that involved his daughter, Jink.

One of the comics' most imaginative and popular fantasies, Wendy and Richard Pini's *ElfQuest: Stargazer's Hunt* carries on the *ElfQuest* legacy for long-time fans as well as serves as a new beginning for new readers. Look for the first issue from Dark Horse Comics this November!

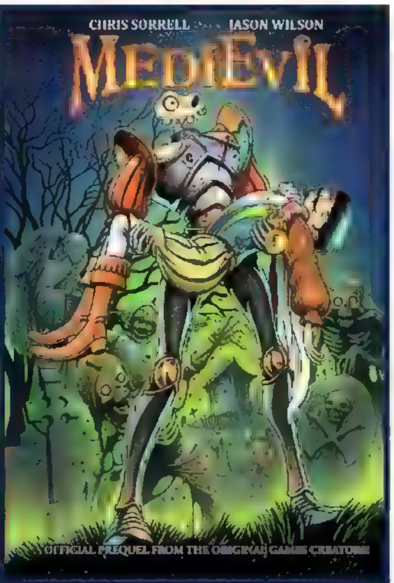
THE HERO OF BELOVED GAME SERIES *MEDIEVIL* IS BACK – IT'S DEAD MAN DAN!

MediEvil, the Burton-esque hack-and-slash game series that took the Playstation by storm in the 90s, returns this year with a gorgeous HD remake on PS4!
To celebrate, *Titan Comics* is publishing a rib-tickling new adventure set in gothic Gallowmere, starring the skeletal Sir Dan!

Bringing Sir Dan to comics is the original game's director **Chris Sorrell** and lead artist **Jason Wilson** (*Surface Tension*) – we caught up with these two gaming greats to find out how Sir Dan was revived for a whole new medium!



CHRIS SORRELL
JASON WILSON
MEDIEVIL
OFFICIAL PREQUEL FROM THE ORIGINAL GAME'S CREATORS

What's *MediEvil* all about?

CS *MediEvil* told the story of Sir Daniel Fortesque, an undead knight who has unfinished business with an evil sorcerer. The history books say that he died a hero, protecting his kingdom – but in truth, he was a cowardly fraud.

MediEvil had a humorously gothic tone and rather offbeat main character. The comic is an extension of that, and will certainly resonate with fans. It should be a lot of fun for newcomers too – you don't need to know too much going in.

> "I'VE SEEN MANY FAN INTERPRETATIONS OF THE LIVING SIR DAN OVER THE YEARS – I HOPE OURS COMES AS A SURPRISE!"

This comic begins with Sir Dan and the Mummy Princess Kiya escaping *MediEvil* 2 in a time machine. Dan ends up in his original time, just before the infamous Battle of Gallowmere, and soon meets up with his living former self... Well, suffice it to say that he has to work with some old friends to defeat some old foes!

What's it like to return to *MediEvil* after so many years?

JW Like slipping on a pair of old (skull embroidered) slippers! It was almost 25 years ago that I sat down with Chris to doodle some ideas. *MediEvil* was the best fun I ever had making a video game!

CS A truly unexpected pleasure! I've long wished I could somehow continue Sir Dan's adventures. When the chance to work on the comic came up, it almost seemed to good to be true!

Why bring Sir Dan to comics?

JW I had left the world of video-games to write and draw comics –my first original book was *Surface Tension*, a folk-horror sci-fi fantasy story – but I was always toying with the idea of a *MediEvil* comic. When Sony asked me if I would be interested I leapt at the chance! I would only do it with Chris' involvement, and so when he told me about his unproduced concept for a *MediEvil 3* game, serving as both a sequel and a prequel, I knew that we simply had to tell that story!

CS It's a way to both continue Sir Dan's story whilst returning to its roots. This story might once have been the basis for a potential *MediEvil 3*, but I think it makes for an even better comic and a perfect way to celebrate the HD remake.

> "THIS STORY MIGHT ONCE HAVE BEEN THE BASIS FOR *MEDIEVIL 3*, BUT IT MAKES FOR AN EVEN BETTER COMIC."

How did you two split the creative duties on this comic?

CS I wrote up a first draft and Jason made some excellent suggestions to better structure it for a comic. After that, of course, the gargantuan task of realizing all of the artwork fell to Jason, with loads of visual nods to the game that fans will definitely appreciate.

JW I like to think that we surprised each other with new ideas. After working on a number of my own books as a solo creator, I was happy to work more collaboratively – this comic provided me with a much-needed change of gears!

Do any other fan-favorites appear?

JW Oh yes! We pay homage to both *MediEvil* 1 and 2 – there's even a monster that never got the screen time it deserved in-game! My favourite is the cowardly braggart Captain Fortesque. I've seen many fan interpretations of the living Dan over the years, and I certainly had a lot of fun drawing the toothy rascal!

CS Revisiting Gallowmere back when Sir Dan was alive gives us the chance to see more of characters we've only glimpsed, and gain a whole new perspective on things. But there's a lot more to this than just reminiscing – the chance to see these familiar faces is just a bonus!

The fact that *MediEvil* allows you to roll together bathos and pathos into a quirky skull-shaped ball is truly what makes this thing so much fun to work on.

Any special words for fans?

JW This is a true continuation of *MediEvil*. We wouldn't have made this comic if it was just a cheap cash-in. It was an absolute pleasure and I hope that the fans will be as delighted reading our book as we were making it – you'll laugh, discover new shocking revelations, cringe with fear and perhaps even shed an emotional tear by the story's end.

CS I have to express my appreciation to Sony, but even more so to all the fans of the game who are excited for more *MediEvil* adventures after all this time! Thank you for playing, and thanks so much for reading!

HORROR/ACTION & ADVENTURE

When an eight-year-old girl literally begins to transform into a tree, her single mom, troubled brother, and possibly insane grandfather embark on a bizarre and heart-wrenching odyssey across the back roads of America in a desperate search for a way to cure her horrifying transformation before it's too late.

But the farther they get from home, the more forces threaten to tear the family apart as fanatical cults, mercenaries, and tabloid Paparazzi close in, determined to destroy the girl—or use her for their own ends.

A new genre-defying series written by **New York Times** bestselling author **JEFF LEMIRE** (**GIDEON FALLS**, **ASCENDER**) and illustrated by acclaimed artist **PHIL HESTER** (**Shipwreck**, **Green Arrow**), **FAMILY TREE** combines mystery, action, and horror into an epic story about the lengths a mother will go to in order to keep her children safe.

MEMOIR

LA VOZ DE M.A.Y.O: TATA RAMBO is based on the oral history of Ramon Jaurigue, an orphan and WWII veteran who co-founded the Mexican, American, Yaqui, and Others (M.A.Y.O.) organization, which successfully lobbied the Tucson City Council to improve living and working conditions for members of the Pascua Yaqui tribe, paving the way to their federal recognition. Meanwhile, Ramon's home life suffered as his focus was pulled from his family to the wider community, and from domesticity to the adrenaline of the campaign.

A resonant, neglected slice of American history is brought to life for the first time with art by **J. GONZO**, letter art by **BERNARDO BRICE**, editing by **CLAIRE NAPIER,** and a script by **HENRY BARAJAS**—the great-grandson of Ramon Jaurigue, a.k.a. Tata Rambo.

FEMINIST, DYSTOPIAN

BACK IN PRINT!

Adolescent girls can be real monsters. Maude is twelve—which is just about that age when some girls turn into flesh-eating wildcats. As her detective dad investigates a series of strange mauling attacks, Maude begins to worry that she might be the killer. From the creative team that brought you the groundbreaking Eisner-nominated series **Mockingbird**, this trade paperback collects the first story arc of the unconventional coming-of-age tale—including the informative survival handbook, "CAT FIGHT! A BOYS' GUIDE TO DANGEROUS CATS" and all-new never-before-published extras!

When *ElfQuest: The Final Quest* concluded, it ended the hero's journey of Cutter Kinseeker, chief of the Wolfriders. But that was only the start of a new adventure for Cutter's "brother in all but blood," Skywise. Now the stargazer elf, who thought he knew everything about Cutter, discovers how mistaken he was. That, combined with a tragic accident involving his daughter Jink, sends Skywise on a quest of his own, from the elves' ancestral Star Home through uncharted space, and back to the World of Two Moons.

Stargazer's Hunt has story by *ElfQuest* co-creators Wendy and Richard Pini, with script by Wendy Pini. Veteran *Elfquest* alumnus Sonny Strait returns at full force as the artist and colorist for the new series.

THE POLICE HAVE THEIR SUSPICIONS. I HAVE MY OWN.
COME, MISS GOAD, I'VE SEEN ALL I NEED TO SEE.
WHAT IS IT? WHAT DID YOU FIND?
THERE ARE CLEAR INDICATIONS THAT THE KILLER PERFORMED SOME MANNER OF ARCANE RITE OVER THE DYING WOMAN, AND THAT A SUMMONING CIRCLE HAD BEEN ETCHED AROUND THE BED.
THESE ARE NO MERE MURDERS, BUT RITUAL SACRIFICES!
BUT, WHAT IS IT THEY'RE TRYING TO CONJURE UP, THEN?
I DON'T KNOW, BUT I WILL NOT REST UNTIL I FIND OUT, AND PUT A STOP TO IT!

USAGI YOJIMBO/RAGNARÖK JAM POSTER BY STAN SAKAI & WALTER SIMONSON—SIGNED

writer/artist **Stan Sakai**

Stan Sakai & Walter Simonson's connecting jam cover (published as rare retailer incentive covers on the first issues of the new *Usagi Yojimbo* and *Ragnarök*) was just too good to not make into a gorgeous 24" x 18" poster! Stan did the layout and the figure of Thor, while Walter did Usagi. The rest was finished by both of them, mixing it up, each contributing art throughout. **Laura Martin** supplied the beautiful coloring!

FC • 24" x 18" poster • Please Inquire

EACH PRINT IS SIGNED BY BOTH SAKAI AND SIMONSON!

ONLY 500 PRINTED, MAY BE ALLOCATED!

EACH POSTER INDIVIDUALLY ROLLED AND DELIVERED IN A PROTECTIVE TUBE.

ROAD OF BONES

writer **Rich Douek**
artist/cover **Alex Cormack**

Horror, history, and Russian folklore collide in this brutal survival tale, where the worst prison in the world is merely the gateway to even darker terrors.

In 1953, the Siberian Gulag of Kolyma is hell on Earth–which is why Roman Morozov leaps at the chance to escape it. But even if they make it out, Roman and his fellow escapees still have hundreds of miles of frozen tundra between them and freedom. With the help of a mysterious being straight out of his childhood fairy tale stories, Roman just might make it–or is the being simply a manifestation of the brutal circumstances driving him insane?

Working for the British High Commission, Harrison Fleet is posted to a remote arctic island which is still, inexplicably, under British rule. As he struggles to understand why, and what interests he is protecting, Harrison learns just how much of the land and its community lies in the shadow cast by the outpost's founder. Caught between hostile locals, the British Government, and an unforgiving physical environment, he begins dragging dark secrets into the light, unaware of the tragic repercussions they will cause. And help is very, very far away. Part noir, part historical mystery, *British Ice* explores the consequences of colonialism and the legacy of empire.

WALTER SIMONSON'S THE MIGHTY THOR ARTISAN EDITION

writer/artist/cover **Walter Simonson**

WALTER SIMONSON'S MIGHTY THOR ARTISAN EDITION, collecting seven complete issues of Simonson's transcendent run on *The Mighty Thor*, including the groundbreaking first story arc that introduced Beta Ray Bill. Each page has been scanned from the original art in Walter Simonson's personal archives, ensuring that these stories are presented as closely as possible to the actual hand-drawn artwork. While appearing to be in black and white, these pages have been meticulously scanned in color so all the subtle nuances of the art are clearly visible, from blue pencil notations, gradients in the ink, plus more—all those wonderful things that make original art unique and beautiful. This is the best of both worlds—an art book that is also a thrilling comic book!

SEIKATSU: A PET'S LIFE

A family-friendly update to the hit tile-laying game! As adorable pets are placed around a living room board, players score by matching cute animals. As the room fills with pets, players will need to change their focus to the color of the pillows the pets are laying on because additional points are scored on the number of matching pillows they have in their rows.

- A new family-friendly theme for the original hit game.
- Dual-scoring tiles require you to change strategies mid-game as the board is filled.
- An easy-to-learn and quick-to-play game with a unique scoring system.

GHOSTBUSTERS BLACKOUT
A Board Game by Jon Cohn
Cover Art by Dan Schoening

GHOSTBUSTERS: BLACKOUT

Suffering from a city-wide blackout and an onslaught of ghosts, it's up to the Ghostbusters to quell the chaos and bust those ghosts! Fully cooperative, players allocate dice to bust ghosts, buy upgrades, and move around the city in a game that will have players wishing for just one more die!

- The Ghostbusters are out to bust familiar faces and foes after a city-wide blackout allows all the ghosts in their containment unit to escape!
- A terrifyingly tough threat management game, players have to travel all over New York City to bust baddies and keep the mass hysteria to a minimum.

KISS: ZOMBIES #1

FC | 32 pages | Horror | $3.99 | Teen+ | 11/6

writer: Ethan Sacks | **artist:** Rodney Buchemi
covers: Arthur Suydam (A), Stuart Sayger (B), Rodney Buchemi (C)
Photo Cover (D), Photo Cover (RI-Virgin)

Decades after a zombie invasion has made humans an endangered species, the city of New Detroit is under siege. The people in charge have banned music, as the undead are attracted to sound, and have tried to rid the world of evidence that the greatest band in history have ever existed. Unwilling to live this way and take the leadership at their word, a group of teenagers set out on a dangerous trip to find KISS!

From ETHAN SACKS (Old Man Hawkeye, Journey to Star Wars: The Rise of Skywalker: Allegiance) and RODNEY BUCHEMI (Death of Hawkman, Uncanny X-Men) comes a story of survival and rebellion in a post-apocalyptic landscape devoid of rock'n'roll!

DYNAMITE 15th ANNIVERSARY GEM of the MONTH

WRITER ETHAN SACKS TALKS ABOUT THE LEGACY OF KISS AFTER THE END

Ethan, this is your first comic book work away from Marvel. What drew you to mark that occasion with KISS and Dynamite? Are there any other Dynamite characters that you'd love to possibly take a stab at down the line?

It wasn't a tough sell: My editor at Dynamite, Kevin Ketner, had me at "KISS... Zombies." The band is one of my all-time favorites, from seeing them on television in "KISS Meets the Phantom of the Park" as a five year old, to seeing them in concert with and without makeup, to getting the chance to interview Gene Simmons and Paul Stanley as a professional journalist. And dangling the supernatural element in front of this Romero nerd is like luring a zombie with fresh brain meat.

For years I've been a reader of Dynamite titles, but well before that I have been a Bruce Lee fan. So a Green Hornet book, perhaps one that examines the legacy with a new person behind the mask, would be a dream. God, there are so many others, including Battlestar Galactica and Doc Savage. Also, how cool would it be to examine the world of Game of Thrones in comic book format? Taking a stab would be literal and figurative in that case! But the biggest wish list item? A James Bond spinoff that I have in my head. God, this is so hard to narrow down!

We put on our detective caps, did some digging and found that you wrote a retrospective piece on KISS for their 40th anniversary. What does the band mean to you?

Quite simply this band not only rocks aurally, but they rock visually and that's stuck with me throughout my life. They look the part of larger-than-life heroes and I would put their aesthetic up against the super-powered men and women across the shelf at the comic store. Having had the privilege of speaking to Gene and Paul about the band's legacy and again being in the press scrum during their induction into the Rock and Roll Hall of Fame a few years ago, I just feel these guys are a major part of the soundtrack of my life.

You've described this series as Land of the Dead meets A Quiet Place meets Seven Samurai PLUS even Footloose! That sounds like a pretty awesome smoothie even before bringing in the greatest rock band of all time – can you delve into some of these influences for the fans?

I wanted to explore what life would be like decades into a zombie apocalypse, hence the channeling of Romero's Land of the Dead. Now, imagine if these zombies that outnumber the human survivors by a factor of 100 or 1,000 were drawn to sound... well then, music would be outlawed. Then, I figured if KISS suddenly entered this landscape after being cryogenically frozen since the early days of the plague, they would shout their defiance out loud!

How has it been working with the rest of the creative team on this project? It sounds like readers can expect to see a good amount of two awesome visuals – flesh eating zombies and KISS rocking out!

I'm a huge fan of Rodney Buchemi's work. He's perfect for this book: He can nail the likenesses of the real characters and also make the sweeping post-apocalyptic awfulness look both beautiful and chilling. Can't wait to get started!

Ale Garza (RI-B/W)
Catherine Nodet (RI-B/W)

Caught in a human trafficking ring, trapped in a prison with no way out, Chastity's finding that fangs and strength aren't nearly enough (and her sarcasm isn't helping things either). Of the few people she can maybe trust, can she really depend on any of them? On the other hand, beware a semi-vampire scorned!

RED SONJA VOL 1: SCORCHED EARTH

Trade Paperback

FC | 172 pages | $19.99 | Swords & Sorcery | Teen + | 11/13

writers: Mark Russell
artists: Mirko Colak
cover: Amanda Conner & Paul Mounts

No man knows the place of her birth, nor where she learned to wield a sword to shame many a male. They know only that she is called The She-Devil of The Hyrkanian Steppes. That, and RED SONJA.

MARK RUSSELL (The Flintstones) and MIRKO COLAK (Conan) bring a savage tale of metal and blood. A world conqueror possesses a massive army and a fatal prophecy. A bastard sorceress craves revenge. And a fearsome red-haired warrior is made wartime ruler of a homeland set for decimation.

DAWN/VAMPIRELLA

Trade Paperback

FC | 128 pages | $19.99 | Horror | Teen+ | 11/13

writer: Joseph Michael Linsner
artist: Joseph Michael Linsner
cover: Joseph Michael Linsner

Joseph Michael Linsner, the celebrated creator of Dawn, writes and illustrates the first-ever crossover event for his beloved goddess, teaming her — and pitting her against — horror icon Vampirella! When the silver-tongued demon Masodik kidnaps these beautiful, powerful women, he demands that the two engage in a catfight to prove which is best suited as his new paramour. The ladies suggest combat by a more sophisticated and feminine means: by engaging in a storytelling contest. Together, Dawn and Vampirella take us a on journey to the bloody shores of Drakulon, post-apocalyptic New York, and worlds beyond imagination. Ultimately, they know that they must join forces to overcome Masodik... but what common ground can be found between goddess and vampire?

THE BOYS OMNIBUS, VOLUME 5

Trade Paperback

FC | 420 pages | $29.99 | Superheroes | Mature | 11/6

writer: Garth Ennis
artists: Darick Robertson, John McCrea, Russ Braun
comic cover: Darick Robertson

Includes:
Volume 9: The Big Ride
Volume 10: Butcher, Baker, Candlestickmaker

In Volume 9, all the pieces are falling into place, for the Boys as well as their most mortal enemies. The long-dreaded superhuman conflict is on its way. But first there are secrets still to be uncovered: like the story of the team's first encounter with supergroup The Seven, and the shockwaves from that disastrous meeting that still reverberate today. Hughie, meanwhile, discovers his comrades' hidden history, as their original leader Colonel Greg Mallory takes him through sixty years of the filthiest black operations imaginable. And finally, with good and bad guys teetering on the brink, a shadowy force sets events in motion that will push even Butcher over the edge.

He could have been a very different man. Billy Butcher, leader of The Boys, once had a chance at another life entirely — when the love of a good woman pulled him aside from his dreadful path of violence and despair. Volume 10 is the story of Billy and Becky, told by the man himself, from the heights of love to the depths of tragedy. And when he's done, he'll be ready... to finish things once and for all.

COMES TO BOOM! STUDIOS

b.b. free broadcasts her underground radio show from her remote swamp community, and she has no idea she's actually the chosen one.

It's been over a hundred years since the Plague That Ate Greed wiped out half the population, and it's the only world that b.b. has ever known. But when b.b. rebels against her overbearing father, she realizes that everything she believes in could be a lie. On the run from her own family, b.b. will learn the truth about the world she lives in, and about the power she never knew she had.

Writer **Gabby Rivera** and debuting artist **Royal Dunlap** present an adventure for fans of *Blackbird* and "mysterious destiny" heroic fiction like *Naomi* about finding your family when the whole world is against you.

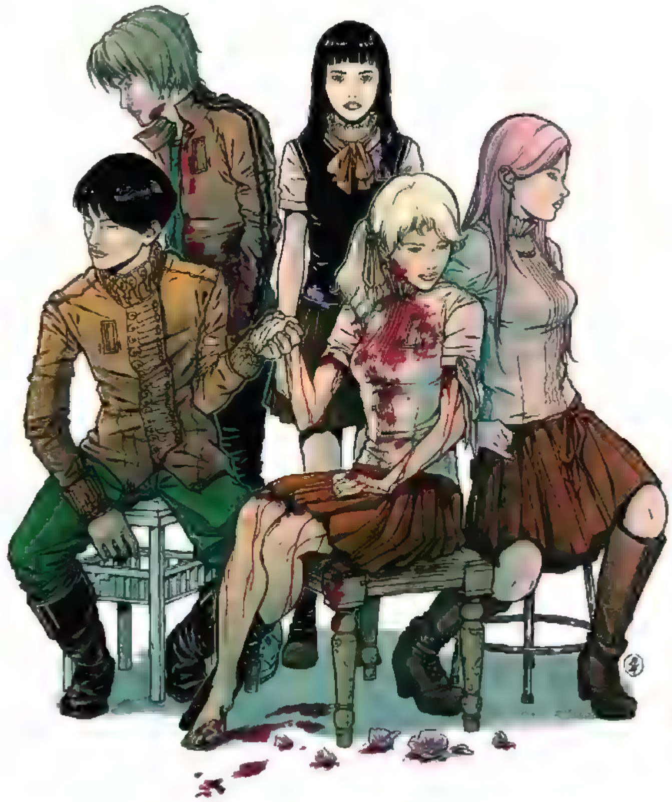
A DARK HIGH SCHOOL DRAMA **FROM THE ARTIST OF *FAITHLESS***



Eva, a high school outcast, finds herself witness to a horrible secret: the most popular boy in school enjoys the taste of blood and will kill to get his hands on it.

Horrified and intrigued, Eva lets herself be pulled into Donatien's macabre world. He offers the escape she has been looking for. . . but how much is Eva willing to betray her moral code in order to find something that gives her life meaning? And will she—or Donatien—ever find redemption?

Maria Llovet *(Faithless)* presents a dark, violent, decadent, disturbing story, in which life and death, blood and love, are inextricably intertwined.

AN INTERNATIONAL BESTSELLER!

The Old Geezers series tells the story of three septuagenarians who have been friends since childhood: Antoine, Emile, and Pierrot. They have each taken different paths in life, made different choices, and started (or not) their own families. The series moves back and forth between the 50s and the present day, telling the tragic-comic tale of our time, with all of its social, political, and cultural upheavals!

Beautifully written and gorgeously illustrated, *The Old Geezers* Vol 1 features two complete stories: "Alive and Still Kicking" and "Bonny and Pierrot", plus bonus material.

The books regularly top the graphic novel bestseller across EUROPE—with hundreds of thousands of copies sold—and a hit movie based on the series came out last year, with a sequel in development.

AARON CAMPBELL cover

Charles "Chip" Ipswich isn't one of those coastal elites with a liberal arts degree and a job at a social media start-up who knows where all the best brunch places are...

No, Chip is one of the "forgotten men." He lives in a rural area in the middle of the country where Jesus still has a place at the dinner table and where factories ship jobs to Calcutta.

Chip is also a vampire.

Stuck working the last shift at a gas station, Chip is lonely and bored...and then his dull, bleak life is turned upside down when SHE comes to town. Now, Chip is forced to become the hero he has always wanted to be, and save his quiet town.

Tim Seeley (BRILLIANT TRASH, *Hack/Slash, Revival*) and Corin Howell (*The Girl in the Bay*) bring you a contemporary and horrifying tale of vampirism in the heart of America—one that'll make you jump right out of your boots. Volume 1 contains the first arc: issues #1-5.

ANATOMY: WHAT'S UNDERNEATH

BONE, MUSCLE, SKIN *THEN* COSTUME. Being aware of what lies beneath a character will help you to pose them believably.

Use a skeleton for the base pose. A stick version will work. Then think like a sculptor and pile on your clay. That clay is muscle. Put skin on the muscle and build out layers, with clothes/costume as the final layer.

PRO TIP

Costumes are your character's calling cards. Make them recognizable and different from other characters. If they are part of a team where all the members wear the same costumes, use the body type to make the difference. Not everyone is muscular, or tall, or thin. Mix it up!

PRO TIP

Point your device's camera at the pages to see over **2+ hours of video instruction.**

DUNGEONS & DRAWINGS: AN ILLUSTRATED COMPENDIUM OF CREATURES HC

(A) Blanca Martinez de Rituerto, Joe Sparrow

Whether they're beasts, spirits, demons, or even aliens, most fantasy worlds are filled with monsters. Some are harmless, many more are deadly. Luckily for the discerning adventurer, this book is here to help distinguish between the two. Animators Blanca Martinez de Riuerro and Joe Sparrow have compiled three volumes into one deluxe edition. Each creature comes with a full-color illustration, a set of simplified statistics, a description, and a history section indicating its folkloric history and the scientific phenomena that may have influenced its creation. With creatures like the Archdevil, Dryad, Fire Bat, Gold Dragon, Smoke Devil, Bomb Plant, Ettin, and Spirit Fox, any tabletop player will find the perfect creature for their next campaign. SHATNER HC

(W) Michael Seth Starr

In the early months of 1966, a handsome, hardworking thirty-five-year-old Canadian-born actor named William Shatner was cast as Captain Kirk in *Star Trek*, a science-fiction television series set to premiere that fall on NBC. *Star Trek* struggled for viewers and lasted only three seasons, but it found a huge, rabidly dedicated audience when it premiered in syndication following its cancellation, turning Shatner into a pop-culture icon and launching him on a career path he never could have imagined after graduating from McGill University. As he approaches his ninetieth year, *Shatner* takes a comprehensive look at this singular performer, taking readers through William Shatner's remarkably bumpy career and the resilience Shatner has shown, time and again, in the face of overwhelming odds. LUCAS HARARI
SWIMMING IN DARKNESS

SWIMMING IN DARKNESS GN HC

(W/A) Lucas Harari

Pierre is a young man at a crossroads. He drops out of architecture school and decides to travel to Vals in the Swiss Alps, home to a thermal springs complex located deep inside a mountain. The complex, designed by architect Peter Zumthor, had been the subject of Pierre's thesis. The mountain holds many mysteries; it was said to have a mouth that periodically swallowed people up. Pierre, sketchbook in hand, is drawn to the enigmatic powers of the mountain and its springs, and attempts to uncover the truth behind them in the secret rooms he discovers deep within the complex. But he finds his match in a man named Valeret who is similarly obsessed, and who'd like nothing more than to eliminate his competitor. (STL135065) (C: 0-1-0)

GAME OF THRONES: THE CLASH OF KINGS 20TH-ANNIVERSARY ILLUSTRATED EDITION HC

(W) George R. R. Martin
(A) Lauren Cannon

A stunning illustrated edition of the second book in the beloved *A Song of Ice and Fire* series, for fans of HBO's *Game of Thrones*, published in celebration of the twentieth anniversary of the book. A comet the color of blood and flame cuts across the sky. And from the ancient citadel of Dragonstone to the forbidding shores of Winterfell, chaos reigns. Six factions struggle for control of a divided land and the Iron Throne of the Seven Kingdoms, preparing to stake their claims through tempest, turmoil, and war. This special edition of *A Clash of Kings*, featuring twenty-two gorgeous, original black-and-white illustrations by Lauren K. Cannon, continues the series of anniversary releases of the iconic *A Song of Ice and Fire* novels that began with *A Game of Thrones: The Illustrated Edition*. (STL134315) (C: 0-1-0)

MARK RYDEN: THE ART OF WHIPPED CREAM HC

(A/CA) Mark Ryden

Blending themes of pop culture with techniques reminiscent of the old masters, Mark Ryden has created a singular style that blurs the traditional boundaries between high and low art. Ryden has trumped his initial surrealist strategies by choosing subject matter loaded with cultural connotation. Ryden's vocabulary ranges from cryptic to cute, treading a fine line between nostalgic cliché and disturbing archetype. A subtle disquiet inhabits his paintings; the work is achingly beautiful as it hints at darker psychic stuff beneath the surface of cultural kitsch. (STL078718) (C: 0-1-0)

WALT DISNEY'S ULTIMATE INVENTOR: THE GENIUS OF UB IWERKS HC

(W) Don Iwerks

Beginning with the creation of the Mickey Mouse cartoons, the Walt Disney Studio established an early reputation as being a technical leader in Hollywood. But Walt Disney didn't do it alone. He frequently relied on the counsel, expertise, ingenuity, and creativity of a kindred spirit, lifelong friend, and fellow virtuoso: Ub Iwerks. His illustrious career consisted of dozens of innovative contributions, large and small, to both animated and live-action motion pictures, as well as the fields of optics, film processes, and special effects. This is a one-of-a-kind tribute to an extraordinary man and an outstanding career, a record of his many inventions and accomplishments. (STL079274) (C: 0-1-0)

I AM C-3PO: THE INSIDE STORY HC

(W) Anthony Daniels

Discover the incredible untold story of one of Star Wars' most iconic characters, C-3PO, told by the man who knows him best. For the very first time, Anthony Daniels will tell C-3PO's story in its entirety, from seeing the first concept images to the early stages of the final film in the Skywalker saga, *Star Wars: Episode IX*, and in the process, will also tell his own. This includes his encounters with movie legends such as Sir Alec Guinness, what it was like working closely with George Lucas, and the friendships he formed with Mark Hamill, Harrison Ford, Carrie Fisher, and others. But being encased in a solid shell for countless hours also involved hardships, pain, and in some cases real physical danger. Daniels candidly relays his humorous, unvarnished, and extraordinary story as the man inside the machine, providing fresh new insights for even the most die-hard of *Star Wars* fans.

LITTLE LULU VOLUME 1: WORKING GIRL HC

(W/A/CA) John Stanley

Lulu Moppet is an outspoken and brazen young girl who doesn't follow any rules–whether they've been set by her parents, the neighborhood boys, or society itself. 2019 D+Q begins a landmark reissue series of Lulu's suburban hijinks: she goes on picnics, babysits, and attempts to break into the boys' clubhouse again and again. Cartoonist John Stanley's expert timing and constant gags made these stories unbelievably enjoyable, ensuring that Marge's *Little Lulu* was a defining comic of the post-war period. Lulu's assertiveness, individuality, and creativity is empowering to witness; the series is powerfully feminist despite the decades in which the stories were created.

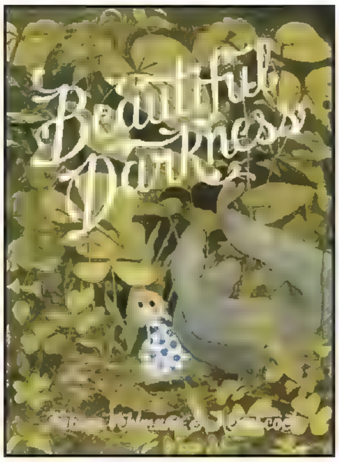
ESSENTIAL ITEM



BEAUTIFUL DARKNESS GN

(W) Fabien Vehlmann
(A/CA) Kerascoet

Newly homeless, a group of fairies find themselves trying to adapt to their new life in the forest. As they dodge dangers from both without and within, optimistic Aurora steps forward to organize and help build a new community. Slowly, the world around them becomes more treacherous, as petty rivalries and factions form. *Beautiful Darkness* became a bestseller and instant classic when it was released in 2014. This paperback edition of the modern horror classic will contain added material, preparatory sketches and unused art.

BERLIN
JASON LUTES

BERLIN: THE COMPLETE EDITION HC

(W/A/CA) Jason Lutes

During the past two decades, Jason Lutes has quietly created one of the masterworks of the graphic novel golden age. Serialized in twenty-two issues, *Berlin* has over 100,000 copies in print. An intricate look at the fall of the Weimar Republic through the eyes of its citizens, *Berlin* will be one of the high-water marks of the medium: rich in its researched historical detail; compassionate in its character studies; and as timely as ever in its depiction of a society slowly awakening to the stranglehold of fascism.

Blankets
a graphic novel by
CRAIG THOMPSON

BLANKETS GN

(W/A/CA) Craig Thompson
Blankets is the story of a young man coming of age and finding the confidence to express his creative voice. Craig Thompson's poignant graphic memoir plays out against the backdrop of a Midwestern winterscape: finely-hewn linework draws together a portrait of small town life, a rigorously fundamentalist Christian childhood, and a lonely, emotionally mixed-up adolescence. Under an engulfing blanket of snow, Craig and Raina fall in love at winter church camp, revealing to one another their struggles with faith and their dreams of escape. This groundbreaking graphic novel, winner of two Eisner and three Harvey Awards, is an eloquent portrait of adolescent yearning; first love (and first heartache); faith in crisis; and the process of moving beyond all of that. CLYDE FANS
A PICTURE NOVEL BY SETH

CLYDE FANS BOX SET SLIPCASE EDITION HC

(W/A/CA) Seth
Twenty years in the making, legendary Canadian cartoonist Seth's landmark series *Clyde Fans* shows the rituals, hopes, and delusions of a middle-class that has long ceased to exist in North America. Abe and Simon Matchcard are brothers, the second generation struggling to save their archaic family business. Much like the myth of an ever-growing economy, their family unit is a fraud-the patriarch has abandoned the business to mismatched sons, one who strives to keep the business afloat and the other who retreats into the arms of the remaining parent. Presented in a deluxe slipcase edition, *Clyde Fans* is an epic time capsule of a storyline that begs rereading. (STL111130)

Dirty Plotte

DIRTY PLOTTE BOX SET COMPLETE HC

(W/A/CA) Julie Doucet
Julie Doucet's comic book series *Dirty Plotte* is one of the most iconic to have ever been created, a visionary work both for the medium and for storytelling. Her stories are candid, funny, and intimate, plumbing the depths of the female psyche while charting the fragility of the men around her. Her artwork is dense and confident, never wavering in the wit and humour of its owner. *Dirty Plotte: The Complete Julie Doucet* collects the entire comic book series, including the acclaimed *My New York Diary*, rare comics and previously unpublished material, in a deluxe two volume box set. Nominated for the Man Booker Prize! When Sabrina disappears, an airman in the U.S. Air Force is drawn into a web of suppositions, wild theories, and outright lies. The follow-up to Nick Drnaso's *LA Times* Book Prize-winning *Beverly*, *Sabrina* depicts a modern world devoid of personal interaction and responsibility, where relationships are stripped of intimacy through glowing computer screens. An indictment of our modern state, Drnaso contemplates the dangers of a fake news climate. (STL079460)

THE BOOK ABOUT MOOMIN, MYMBLE & LITTLE MY HC

(W/A/CA) Tove Jansson
The treasured children's classic, lovingly back in print! In this excellent companion to D+Q's hugely successful *Moomin* series, Tove Jansson presents a delightful book for all ages in a very intricate and elaborately designed book, complete with Moomin die-cuts on every page. This books is a "lost classic" from the 1950s and has been unavailable in North America for over half a century. (STK402045)

COYOTE DOGGIRL HC

(W/A/CA) Lisa Hanawalt
An homage to and lampoon of westerns, *Coyote Doggirl* is a self-aware, playful subversion of tropes, from the producer/production designer of the hit series *Bojack Horseman*. Coyote is a dreamer and a drama queen, brazen and brave, faithful yet fiercely independent. Together with her trusty steed Red, there's not much that's too big for her to bite off, chew up, and spit out right into your face, if you deserve it. But when Coyote and Red find themselves on the run from a trio of vengeful bad dogs, get clobbered by arrows, and are tragically separated, our protagonist is left fighting for her life, and longing for her displaced best friend. Hot Dog Taste Test serves up Lisa Hanawalt's devastatingly funny comics, saliva-stimulating art, and deliciously screwball lists as she skewers the pomposities of foodie subculture. From the James Beard Award-winning cartoonist and production designer/producer of Bojack Horseman, *Hot Dog Taste Test* dishes out five-star laughs as Hanawalt keenly muses on pop culture, relationships, and the animal in all of us. SCENES FROM AN IMPENDING MARRIAGE HC

(W/A/CA) Adrian Tomine
At the behest of his soon-to-be wife, Adrian Tomine set out to create a wedding favor for their guests that would be funnier and more personal than the typical chocolate bars and picture frames. What started out as a simple illustrated card soon grew into a full-fledged comic book: a collection of short strips chronicling the often absurd process of getting married. A loose, cartoony departure from Tomine's previous work, *Scenes From An Impending Marriage* is a sweet-natured, laugh-out-loud skewering of the modern marriage process, including hiring a DJ, location scouting, trips to the salon, suit fittings, dance lessons, registering for gifts, and managing familial demands. THE SNOOTY BOOKSHOP
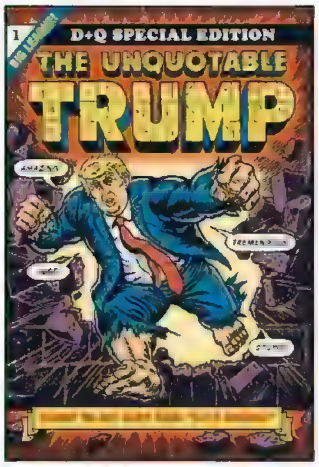
Fifty Literary Postcards by Tom Gauld

THE SNOOTY BOOKSHOP POSTCARD SET

(W/A/CA) Tom Gauld

Tom Gauld (*Mooncop*, *You're All Just Jealous of My Jetpack*, *Goliath*) has created countless iconic strips for the Guardian over the course of his illustrious career. A master of condensing grand, highbrow themes into one-to-eight panel comics, Gauld's weekly *Guardian* strips embody his trademark British humor, while simultaneously opening comics to an audience unfamiliar with the artistry that cartooning has to offer. Funny but serious, the *Guardian* comics allow Gauld to put his impressive knowledge of history, literature, and pop culture on full display, his impeccable timing, and distinctive visual style setting him apart from the rest. (STL092238)

SC, 4x6, 50pgs, FC $19.95



THE UNQUOTABLE TRUMP GN

(W/A/CA) R. Sikoryak

Cartoonist R. Sikoryak draws upon the power of comics and satire to frame President Trump and his controversial declarations as the words and actions of the most notable villains and antagonists in comic book history. Reimagining the most famous comic covers, Sikoryak transforms Wonder Woman into Nasty Woman; Tubby Tompkins into Trump; Black Panther into the Black Voter; the Fantastic Four into the Hombres Fantasticos and Trump into Magneto fighting the Ex-Men. In perfect Trumpian fashion, *The Unquotable Trump* will be a 48-page treasury annual needlessly oversized and garishly colored. (STL062680)

AMINDER DHALIWAL

WOMAN WORLD GN

(W/A/CA) Aminder Dhaliwal

With her startling humor, it's no surprise that Aminder Dhaliwal's web comic *Woman World* has a devoted audience of over 120,000 readers. When a birth defect wipes out the planet's entire population of men, Woman World rises out of society's ashes. Dhaliwal's infectiously funny instagram comic follows the rebuilding process, tracking a group of women who have rallied together under the flag of "Beyonce's Thighs." Only Grandma remembers the distant past, a civilization of segway-riding mall cops, Blockbusters movie rental shops, and "That's What She Said" jokes. *Woman World* is an uproarious and insightful graphic novel from a talented and funny new voice. YELLOW
YELLOW
STORY BY: FRANK ASCH
ILLUSTRATED BY:
MARK ALAN STAMATY

Yellow Yellow is a charmingly simple story of a child whose playground is a gritty urban cityscape. With no parent in sight, the boy wanders the sidewalks to find a yellow construction hat which quickly becomes his favorite belonging; earning him many compliments from strangers on nearby stoops. Eventually the boy meets the owner of the hat and must return it, leading the child to make his own yellow hat. Yet the story comes alive via the visual feast of urban oddities that the Who Needs Donuts? cartoonist Stamaty packs in the background of this rediscovered children's classic. (STL114401)

ALIEN VAULT: THE DEFINITIVE STORY BEHIND THE FILM HC

(W) Ian Nathan

Alien Vault opens a portal into the making of the legendary film *Alien*, tracing its path from embryonic concept to fully fledged box office phenomenon. For 40 years, audiences have been simultaneously captivated and appalled as the spaceship Nostromo is invaded and its crew stalked by a terrifying parasitic creature. From the gore of the infant alien bursting from Kane's chest to the mounting claustrophobia as Ripley discovers the monster has followed her into the escape shuttle, *Alien* is a chilling masterpiece. Previously published in 2011, the new edition includes an additional chapter tracing the path of Ridley Scott's return to the *Alien* saga with *Prometheus* and *Alien: Covenant*. (STL135141) (C: 1-1-0) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

THE WAKANDA FILES: A TECHNOLOGICAL EXPLORATION OF THE AVENGERS AND BEYOND HC

(W) Troy Benjamin

An in-world book from the Marvel Cinematic Universe, *The Wakanda Files*, compiled by request of Shuri (*Black Panther* and *Avengers: Infinity War*) as part of her quest to improve the future for all people, is a collection of papers, articles, blueprints, and notes amassed throughout history by Wakanda's War Dogs. In a nod to Wakandan technology, the pages of the book have a printed layer of UV ink with content that is visible only under the accompanying Kimoyo bead-shaped UV light. Organized into areas of study, including human enhancement, transportation, weapons, artificial intelligence, and more, *The Wakanda Files* weaves together the stories, personalities, and technology that are the fabric of the MCU. (STL135142) (C: 1-1-0) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

FAMOUS MONSTERS ACK-IVES #2: THE HOUSE OF HAMMER SDCC COVER

(CA) Sanjulian

Horror got a whole new colorful image with the establishment of Hammer Film Productions in 1934, and 85 years later, the brand is still synonymous with gore, exploitation, and genre icons. As this Hammer edition of the Ack-Ives shows, *Famous Monsters* was along for the ride, and championed Britain's new monster canon with countless features and photographs. Features a cover featuring Christopher Lee in Hammer's *The Curse of Frankenstein*, previously exclusive to San Diego Comic Con! (STL135096)

PRINCE VALIANT VOL. 20: 1975–1976

By Hal Foster & John Cullen Murphy

$34.99 / HC / 128 pgs / FC / 10.25" x 14"

Creator Hal Foster returns for the series' 2000th strip, recalling the high points of the *Prince Valiant* legend. Aleta is abducted by a wizard, but Val pursues them only to learn that Aleta is capable of rescuing herself. Aleta's younger sister Helene is gambled away by her husband, drawing Val and his Singing Sword into a deadly duel. And in between battles, romance has its way with kings, wizards and slaves. Also: a large gallery of Hal Foster's art for the 1930 U.S. Naval Academy yearbook. Plus, an interview with *Mad* artist Angelo Torres, who assisted *Prince Valiant* artist John Cullen Murphy on the *Big Ben Bolt* strip.

ATOM BOMB AND OTHER STORIES

By Wallace Wood with Harvey Kurtzman

$34.99 / HC / 288 pgs / BW / 7" x 10"

When Wallace Wood teamed up with Harvey Kurtzman, the result was some of the best war stories ever put to paper. Wood and Kurtzman delivered deeply human tales from the Civil War to World War I to World War II to Korea. Wood and Kurtzman depicted the madness and horror of war, including the controversial title story which depicted the bombing of Nagasaki from the viewpoint of the victims on the ground. *Atom Bomb and Other Stories* collects all the combat tales Wood and Kurtzman did together for EC's *Two-Fisted Tales* and *Frontline Combat*, plus other war stories Wood did for EC writer/editor Al Feldstein as well.

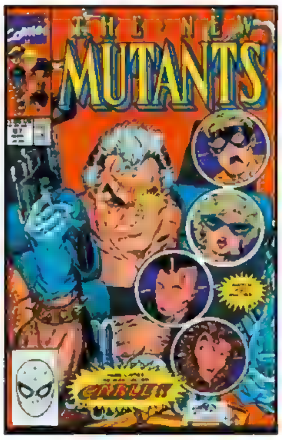
The Modern Era of Comic Collecting



By the time you're reading this edition of *PREVIEWS*, the latest *Overstreet Comic Book Price Guide* will have been on shelves for about a month. Time flies! Of course, the passage of time impacts us all in various ways, and when it comes to collecting, it's worth pointing out that books some folks might consider recent have already accrued in value quite a bit.

Though many collectors might specialize in Golden or Silver Age books, the Modern Age has become quite the worthwhile investment. Beyond the fact that contemporary books are simply quite fun to just read, there's plenty of recent keys floating about that have already been driven up in value thanks to how the stories have been interpreted in other media.

Many of our regular advisers and contributors to the *Guide* have made note of the Modern trend, and Steven Houston of Torpedo Comics has certainly taken notice.

"Shocking news: We sell more issues from 2000 to present than the 1960s, 1970s, 1980s and 1990s combined! The dollar amount may be higher for the Silver Age product, but not by much, yes – modern back-issues are as hot as blazes here at Torpedo Comics," Houston said in his *CBPG* #49 market report. "We are currently in the age of the variant, specifically-designed collectible comics, purposely pushed upon fandom with the intent of creating a buzz about a given issue… but time and again, the collectors return for the variants."

Our friends at CBCS have also made note of the rise in Modern Age comic collecting. Thanks to recent film releases, many characters previously considered somewhat obscure have seen a large uptick in submissions to the grading service.

"Movies and television shows still are some of the biggest driving forces in Modern comic collecting and I would say they are the biggest culprits for turning a less desired comic into a hot commodity overnight," CBCS Modern Expert Daniel Ertle said in his *CBPG* #49 market report. "One of the biggest boost in numbers we saw was *New Mutants* #87. Cable made his big screen debut with the *Deadpool 2* movie and now we see this book almost as much as *New Mutants* #98. They are actually submitted in pairs quite often which really demonstrates the explosion of popularity for Cable's first appearance… *Black Panther* #1 also saw a huge increase in what was already a very popular book. It shared its popularity with some adjacent characters as well, such as the first appearance of Shuri."

It's worth checking out the full lineup of market reports in The *Overstreet Comic Book Price Guide* #49 to really dive into how Modern books are starting to shape up in the collectibles market. To me, the 1990s seem like just yesterday… but of course, it's been almost 30 years since the beginning of that decade! Time flies, indeed!

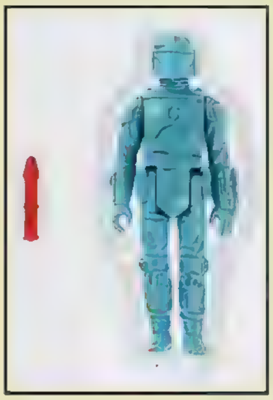
Hake's Sells Rocket-Firing Boba Fett Prototype for $112K



One of the rarest, most highly coveted Star Wars toys reached a record price at Hake's Auctions. A rocket-firing Boba Fett prototype (L-slot) AFA 85+ shot to $112,926 on Thursday, July 11, 2019, during the second night of closing in Hake's Auction #227. Not only did the prototype establish a new in-house record for a Star Wars toy, it is a new world record for a Star Wars toy and the first time one from the series surpassed six figures in an auction.

The 3-3/4" rocket-firing Boba Fett prototype was made by Kenner in 1979 and displayed at the Toy Fair in New York City. The figure never went into mass production, possibly due to the choking hazard of the rocket or because of production issues with the rocket-firing mechanism.

"While most action figure prototypes are collected by a much smaller pool of collectors versus the production pieces, the Boba Fett prototypes are a totally different matter," Hake's President Alex Winter said. "That prototype has achieved legendary status over the years and transcended to a 'holy grail,' known by even the most casual fan and coveted by even the most advanced collector."

Preacher #1

Cover Price: $2.95

1996 Overstreet Price: $9.00

2019 Overstreet Price: $225

Known for: The debut of Jesse Custer, the titular preacher. *Preacher*, created by Garth Ennis and Steve Dillon, told the story of Custer, who becomes possessed by a supernatural entity called Genesis - an immensely powerful creature created by the coupling of an angel and a demon. Custer travels across the United States in the hope of literally finding God, who abandoned Heaven when Genesis was first born.

Did You Know?: The series ran from 1995 to 2000, and by 1998 a film adaptation had entered pre-production. However, the project stalled out in development for years, shifting between a movie and a series, before AMC announced in 2013 that they would finally adapt the comic for television. The *Preacher* series stars Dominic Cooper as Jesse Custer.

THE MIDWINTER WITCH GN

(W/A/CA) Molly Knox Ostertag

The acclaimed graphic novel world of *The Witch Boy* and *The Hidden Witch* comes to a thrilling conclusion in this story of friendship, family, and finding your true power. Aster always looks forward to the Midwinter Festival, that includes competitions in witchery and shapeshifting. This year, he's especially excited to compete in the annual Jolrun tournament as a witch. He's determined to show everyone that he's proud of who he is, but he knows it won't be easy to defy tradition. Ariel has darker things on her mind than the Festival, like the mysterious witch who's been visiting her dreams, claiming to know the truth about Ariel's past. When a powerful and sinister force invades the reunion, threatening to destroy everything the young witches have fought for, can they find the courage to fight it together? Or will dark magic tear them apart? (STL134928) (C: 0-1-0)

THE WITCH BOY GNS

(W/A/CA) Molly Knox Ostertag

In thirteen-year-old Aster's family, all the girls are raised to be witches, while boys grow up to be shapeshifters. Anyone who dares cross those lines is exiled. Unfortunately for Aster, he still hasn't shifted... and he's still fascinated by witchery, no matter how forbidden it might be. When a mysterious danger threatens the other boys, Aster knows he can help — as a witch. It will take the encouragement of a new friend, the non-magical and non-conforming Charlie, to convince Aster to try practicing his skills. And it will require even more courage to save his family and be truly himself. (STL058545)

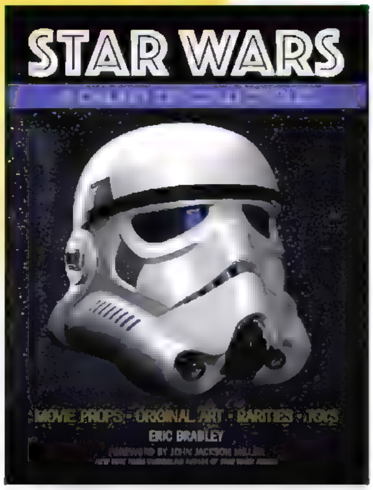
STAR WARS: A GALAXY OF COLLECTIBLES HC



(W) Eric Bradley

The foundation of popular culture was shaken to its core in 1977 when George Lucas released one of the most important films in modern American history: *Star Wars: A New Hope.* A hardcover, richly illustrated joyride *Star Wars: A Galaxy of Collectibles,* frames four decades of intergalactic adventures with rare collectibles, astonishing collections and classic *Star Wars* images. Showcasing fabulous movie props, original art, prototypes, movie posters, rarities, classic toys, and exclusive interviews with artists who created some of the most iconic scenes from the original movie trilogy, *Star Wars: A Galaxy of Collectibles* pulls back the curtain to reveal a stunning behind-the-scenes view of the world's favorite space opera. THE ARAB OF THE FUTURE VOLUME 4: 1897-1992 SC GN

(W/A/CA) Riad Sattouf

In the fourth volume of *The Arab of the Future*, little Riad has grown into a teenager. In the previous books, his childhood was complicated by the pull of his two cultures, French and Syrian, and his parents' deteriorating relationship. Now his father, Adbel-Razak, has left to take a job in Saudi Arabia, and after making a pilgrimage to Mecca, turns increasingly towards religion. But Riad's mother Clementine has had enough. Refusing to live in a country where women have no rights, she returns with her children to live in France with her own mother... until Abdel-Razak shows up unexpectedly to drag the family on yet another journey. In bright pinks, blues, greens, and purples, the inhabitants of *Strange Planet* are at once charming, strange, and recognizable. The game is human behaviors labeled in plain language and acted out by adorable aliens; on *Strange Planet*, we are invited to take a step back and celebrate our own previously unexamined practices of surprise parties, visits from the tooth fairy, and cleaning before having company. The labeling of common occurrences like sunburn as "Star Damage" and sweet dreams as "Imagine Pleasant Nonsense" has struck an immediate chord, with thousands of posts and tweets using these phrases in instant recognition. GUADALCANAL: HELL IN THE PACIFIC GN

(W) Georgia Ball (A) Esteve Polls

Guadalcanal is a graphic novel in vivid color detailing the fierce struggle for control of the Solomon Islands, a pivotal point in the Allied campaign against Japan during World War II. Based on historical records and interviews from the men who fought in the Pacific theater, the book describes the landing operations, naval battles, and opposing military goals that surrounded one of the hardest-won campaigns in the Second World War. From Henderson Field to the Matanikau River, Allied victories forced the Japanese Navy to abandon Guadalcanal, a serious blow to the empire that would eventually lead to their surrender. REMBRANDT: ART MASTERS SERIES GN

(W/A) Typex
Rembrandt van Rijn (1606-1669) is a towering figure in European art history: a virtuoso painter, draftsman, and etcher whose enduring influence can be seen in the work of artists from J.M.W. Turner to Francis Bacon and beyond. A prolific self-portraitist, Rembrandt is a deeply familiar figure, yet little is known of his life and character. In this first graphic biography of the Dutch master, Typex pieces together the facts that are known about Rembrandt's life to weave a captivating story about a miller's son who, after a brief spell of fame, suffered the fate of so many artists: financial ruin. It is a story about life and death, love and bereavement, success and loss. (STL134120) (C: 1-1-0) **NOTE:** Available only in the United States and Canada.

THE MASTER AND MARGARITA
BULGAKOV KLIMOWSKI SCHEJBAL
A GRAPHIC NOVEL

THE MASTER AND MARGARITA GN

(W) Mikhail Bulgakov, Andrzej Klimowski
(A) Andrzej Klimowski, Danusia Schejbal
The Devil arrives in moscow, accompanied by a bizarre band of acolytes: a witch, an assassin, and a talking cat. Together, they systematically wreak havoc in the Russian capital. Caught up in the chaos are two lovers: tha Master, a writer broken by criticisms of his novel about Pontius Pilate, and Margarita, for whom the Devil has his own plans. At once a love story, a meditation on the nature of good and evil, and a brilliant saatire of mid-20th-century Soviet life, *The Master and Margarita* was initially banned by the very bureaucracy it criticized. In this captivating, beautifully drawn graphic novel, Andrzej Klimowski and Danusia Schejbal bring to vibrant life the masterpiece that has since become the defining work of the 20th-century Russian literature. BECOMING RBG: RUTH BADER GINSBURG'S JOURNEY TO JUSTICE

(W) Deborah Levy (A) Whitney Gardner
Supreme Court justice Ruth Bader Ginsburg is a modern feminist icon: a leader in the fight for equal treatment of girls and women in society and the workplace. She blazed trails to the peaks of the male-centric worlds of education and law, where women had rarely risen before. Ruth Bader Ginsburg has often said that true and lasting change in society and law is accomplished slowly, one step at a time. This is how she has evolved, too. Step by step, the shy little girl became a child who questioned unfairness, who became a student who persisted despite obstacles, who became an advocate who resisted injustice, who became a judge who revered the rule of law, who became RBG. Available in softcover and hardcover editions. (STL134122) (C: 0-1-0)

STAR POWER AND THE MYSTERY OF THE ZEL GUX DYNASTY GN (VOLUME 3)

(W) Michael Terracciano
(A/CA) Garth Graham
Danica Maris believed she was the last of the Star Powered Sentinels until she received a signal that could have only come from another Sentinel! She traces its source to the Kioleth system, home to worlds influenced by the ancient and wise Zel Gux Dynasty. Now she must gather her allies and uncover the last secret of a long-dead people. This expedition will not be easy. Star Power will awaken sleeping guardians, adhere to time-honored rituals, seek answers to challenging riddles, and face mythical monsters in search of the truth. Meanwhile, old enemies watch her every move from the shadows, waiting for their time to strike. (STL134927)

BINWIN'S MINIONS

BINWIN'S MINIONS GN

(W) Tavis Maiden, Cory Casoni
(A/CA) Tavis Maiden
Binwin Bronzebottom, professional warrior, was looking to hire a few good adventureres. Unfortunately, four level-none Minions were all that showed up. Now he's faced with an undertaking unlike any other: helping these poor souls bumble their way into greatness... or at least some measure of competence. Join the legendary Binwin Bronzebottom as he tries to teach these young adventurers what it means to be a team. In return, they just might tech Binwin what it means to be a family; or he'll learn something equally as valuable—how to take advantage of his new Minions for fun and profit. (STL077390) (C: 0-1-1)

METRO GN

(W) Cullen Bunn, Brian Quinn (A) Walter Flanagan (CA) Francesco Francavilla
Meet Hunter Murphy. Yesterday, he died of a drug overdose in a filthy New York City back-alley. Today, he awoke in the City Morgue with no real memory of who he is or how he got there. He only knows his name thanks to the toe tag he's wearing. Slipping out into the night, Hunter wanders the city, clad in clothing he gathered from a dumpster. He may not know anything about himself, but he instinctively knows every corner of the teeming metropolis. And the city seems to know him. When he runs into trouble (which happens quite a bit) the city seems to help him in some way. But there are others who know him, too, or at least they think they do. Hunter's not a bad guy, but he has a secret. And that secret is a killer. (STL135656) (C: 0-1-1)

LAIR: RADICAL HOMES AND HIDEOUTS OF MOVIE VILLAINS HC

(W) Chad Oppenheim
From Atlantis in *The Spy Who Loved Me* to Nathan Bateman's ultra-modern abode in *Ex Machina*, big-screen villains often live in architectural splendor. From a design standpoint, the villain's lair, as popularized in many of our favorite movies, is a stunning, sophisticated, envy-inducing expression of the warped drives and desires of its occupant. *Lair* celebrates and considers iconic villains' lairs from recent film history. Like evil itself, the abodes of big-screen villains are frequently compelling and seductive. They tend to be stunning, sophisticated, envy-inducing expressions of the warped drives and desires of their occupants. (STL134132) (C: 0-1-0)

I love Count Orlok. Like, a whole, whole lot. And what's not to love? He's a bootleg vampire, a passion project slated for destruction by Stoker's widow, kept alive by people smuggling his tapes to and from. Wretched, ugly, but with a really cool castle, Orlok's design has been integral in the design of all my work. Murnau intended *Nosferatu* to be a love letter to Dracula, and I like to think my project is a little love letter to Orlok. It's 43 illustrations along with captions from the movie with a weird... modern? Punk? Irreverent? Twist. It's a labor of love, just like Murnau's, what matter if it costs me some pain, or even a little blood? (STL135662) (C: 0-1-1)

Written and drawn by Knickrehm, *The Immortal* shows off an illustrative style that's clean and full of depth paired with evocative gray scaling. Collecting the first 4 issues of the cult sci-fi adventure series, *The Immortal* follows a human bounty hunter with the ability to be resurrected when killed in the line of duty. The only drawback? FOR REAL #1

(W/A) James Romberger

Elsner nominated James Romberger (*7 Miles A Second*, *Post York*) brings a short comic story, "The Oven," that melds two battles fought in different eras by the great cartoonist Jack Kirby, the most prolific American comic book creator of the 20th century. The first battle: his cancer diagnosis serves as a springboard for the other battle: one of his most harrowing experiences during World War II. "The Real Thing," an accompanying essay by elaborates on those issues in relation to Kirby's biography. *For Real* is a celebration and a nuanced look at one of America's greatest cartoonists! A must for Kirby Fans! (STL134926)

VAULT VINTAGE HONORING: FRANK MILLER

A young fur trapper flees her overbearing family only to get lost in a dreamlike winter wilderness that harbours a cosmic threat.

The year is 1887 and a storm brews. Eulalie Dubois has spent her entire life tending to her family's trapline, isolated from the world. A chance at freedom comes in the form of a parcel that needs delivering to a nameless town north of the wilderness. Little does Eulalie know, something sinister hides in those woods and it yearns for what she carries.

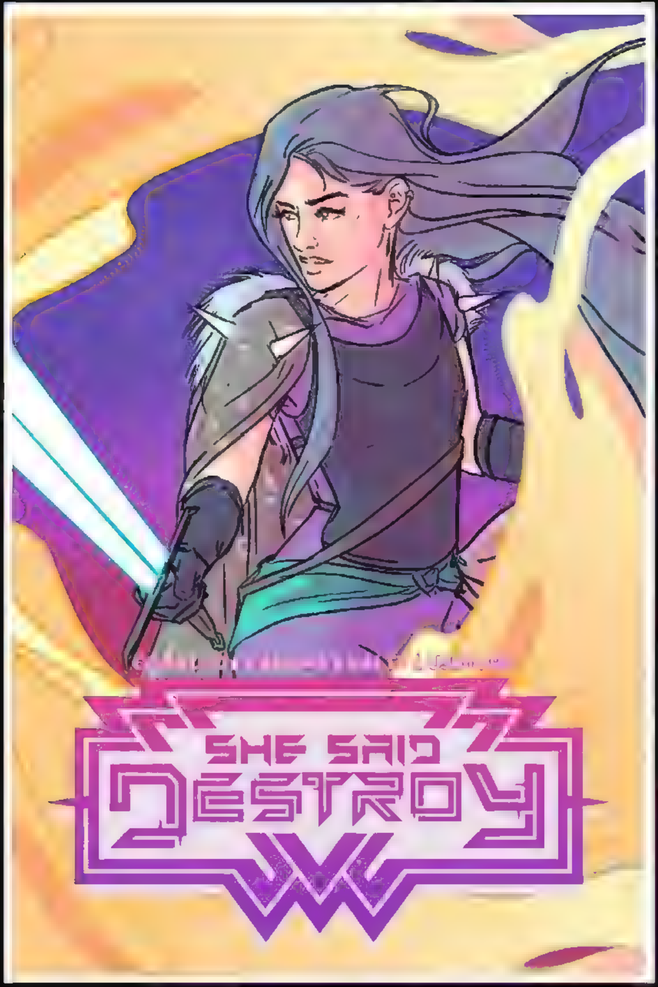
SHE SAID DESTROY



CORALLO/KANGAS/NALTY/UJIMORI

Over millenniums, Brigid, Goddess of the Sun, has conquered and converted the entire solar system into worshipping her and her alone, save one space colony. The witches of Fey are the last believers of The Morrigan, Goddess of Death, Brigid's sister and the only other God left.

As Brigid's forces prepare for one final battle, The Morrigan prepares to do what she does best: Destroy!

From author Joe Corallo and artist Liana Kangas comes the neon-pastel space-fantasy that rocked comics and shattered all expectations of a debut series.

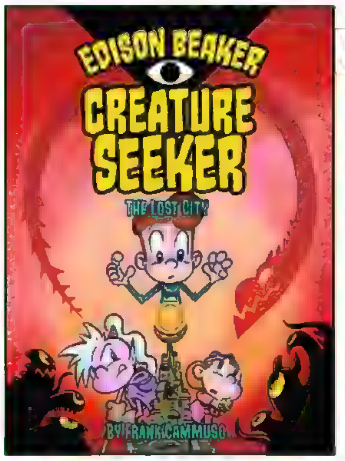
VIKING BOOKS FOR YOUNG READERS



EDISON BEAKER, CREATURE SEEKER VOLUME 2: THE LOST CITY

(W/A/CA) Frank Cammuso

After escaping evil Baron Umbra, the sticky Underlings, and other creepy creatures of the Underwhere, Edison Beaker and his young sister, Tesla, are safe at home. And then their creature friend Knox comes calling. She needs help, back on the other side of the Night Door. Edison desperately wants to follow family tradition and become a true Creature Seeker, protecting the world from monsters and mayhem. So what else can he do but follow Knox? (With pesky Tesla and her escape-prone hamster Scuttlebutt in tow, of course!) Edison and crew stumble into a mysterious city that's sinking into darkness. Edison could be a hero and help restore light to the city and its inhabitants who are crushed by gloom. But who can he trust to help him? Available in softcover and hardcover editions. WW NORTON

HEART OF DARKNESS GN

(W/A/CA) Peter Kuper

Heart of Darkness has unsettled generations of readers with its haunting portrait of colonialism in Africa. Acclaimed illustrator Peter Kuper delivers a visually immersive and profound interpretation of this controversial classic evoking the danger and suspense at the heart of this brutal story. Kuper's graphic adaptation engages with Conrad's colonial attitudes, European racism at the time, and he invites readers to grapple with these issues on their own terms. Longtime admirers of the novella will appreciate his innovative interpretations, while new readers will discover a brilliant introduction to a canonical work of twentieth-century literature. ACTIVIST: A STORY OF THE MARJORY STONEMAN DOUGLAS SHOOTING HC GN

(W) Lauren Elizabeth Hogg
(A) Don Hudson

Lauren Hogg, one of the survivors of the shooting at the Marjory Stoneman Douglas school in Parkland, Florida, dramatically tells her story in graphic novel form. The tragedy of yet another mass shooting has galvanized the young people of the country, and helped launch a movement that continues to gain momentum. Lauren Hogg lost her two best friends that horrible day, but despite her loss she, along with other Parkland students, found her voice and created meaning from the horrors of that day. She and her brother, and so many other Parkland students refuse to allow the memory of their fallen classmates to be forgotten. Empowered with a unique voice, Lauren Elizabeth Hogg is truly an activist for our times. (STL134148) (C: 0-1-0)

IDENTITY: A STORY OF TRANSITIONING HC GN

(W) Corey Maison (A) Ahmara Smith

Corey Maison was born a girl, trapped in a boy's body. Growing up, Corey was more interested in dolls than trucks; in dresses than jeans. Everything about Corey was female... except her physicality. Known as gender dysphoria, this condition is devastating if not acknowledged. But society is slow to be sympathetic to the idea that a person's gender is not entirely based on physiology, but instead is fluid, and a combination of emotional and psychological self-awareness along with, or sometimes more importantly, physical characteristics. With unconditional love and support from her mother, Corey successfully starts the transition process with hopes of being comfortable in her own skin, being accepted by others, and raising awareness of young people who wish to transition. MORE ABOUT MANGA!

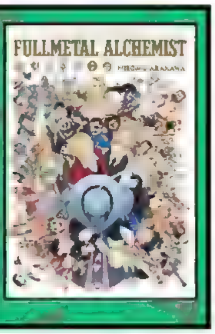
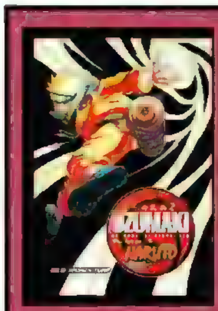
GASHUU ART BOOKS

Known as "gashuu" in Japan, art books are collections of images from beloved or well-respected artists and/or properties.

Usually oversized to accentuate the visuals, *gashuu* are generally comprised of character art, detailing the design work of an artist or team.

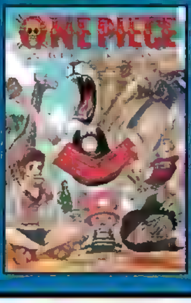


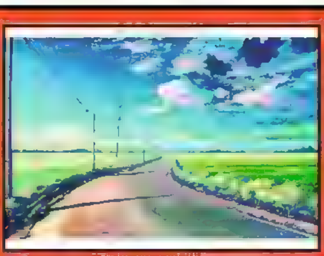


Presentation is key to these books. Outside of the large trim size and color art, it is not uncommon to see hardcovers or special paper stocks within these tomes. Gatefold pull-out posters are also a regular feature and are coveted by fans.

Previously published in *PREVIEWS* #364, January 2019

While the art can often speak for itself, fans do appreciate opportunities to see what artists in Japan may have been thinking when designing their favorite works via included interviews.





Gashuu are usually as big as a magazine or a coffee-table book and cost significantly more than standard manga volumes. But even with the higher price points fans have repeatedly shown that there is continuing demand for gashuu art books.

Story by Kazutaka, Art by Kai Tomohiro

Long ago, Fujishiro Kosuke promised his love to his childhood friend, Sayaka-chan. But his pledge to save his first sexual experience for her takes a shocking turn when he's suddenly abducted and thrown into a secret prison—run by beautiful, terrifying women in fetish gear. His seductive kidnappers claim to have a higher purpose but are after one thing: Kosuke's virginity, and they're willing to employ every kink at their disposal. Who are these women, and why are they trying to break Kosuke's promise to Sayaka-chan?

TO LOVE RU DARKNESS Vol. 13

Story by Saki Hasemi, Art by Kentaro Yabuki

Defeating the Darkness that threatened Earth didn't come without cost—Lala used up so much power in the fight that she wound up shrinking down to a pint-sized version of herself. Spurred by concern, the Earth is getting an unexpected visitor. It's the Queen of Deviluke: the most powerful woman in the universe, and Lala's mother! How will Rito handle the arrival of a woman said to be so beautiful, that simply looking at her drives men mad?

SCARLET SOUL VOL 1

The Kingdom of Hahmu has been a peaceful land for humans since the exorcists repelled the demons and sealed the way to the underworld of Kuhmon. Two sisters, Iyo and Rin, are the heirs of the illustrious Shirano family, the most powerful clan among the exorcists charged with watching over the barrier and maintaining the balance between the two worlds with the aid of Hikaen, the Sword of a Hundred Souls.

One fateful day however, with the neighboring villages suddenly coming under violent attack, the peace is broken... and the sacred sword begins to react to an unknown phenomenon.

A Tropical Fish Yearns for Snow

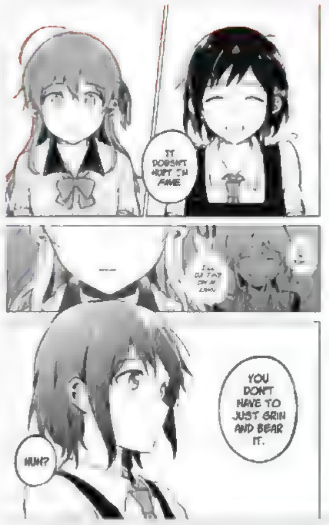
Konatsu is about to start a new school in a new town, and she's basically all on her own. Her dad just got a job overseas, and her aunt can only check in from time to time. It's a lot for a shy, reserved girl to handle. But on one of the first days of class, she discovers that the school has an aquarium! The club that runs the aquarium is headed by an older student named Koyuki, and Konatsu is instantly drawn to her. Konatsu's introverted tendencies are hard to overcome, but maybe she's found something worth coming out of her shell for?



IT DOESN'T HURT. I'M FINE.
YOU DON'T HAVE TO JUST GRIN AND BEAR IT.
HUH?

Sometimes you find what you yearn for...

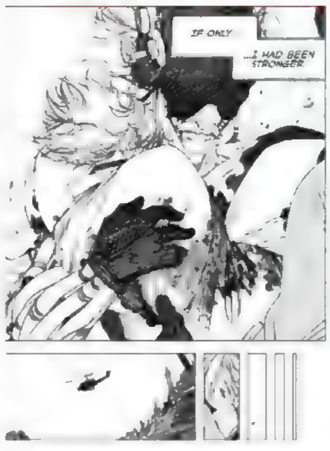
LEVIUS est

It's the 19th century, and the world has entered the Era of Rebirth, recovering from the devastating flames of war. The sport of mechanical martial arts has galvanized the nations. Cybernetically augmented fighters turn their blood into steam and their bodies into brutal fighting—and killing—machines. Young Levius is one of those arena battlers, hell-bent on winning in order to simply survive.



IF ONLY
...I HAD BEEN STRONGER.

BEASTARS Vol. 3

Story and Art by Paru Itagaki

It's time for the Festival of the Meteor, which honors the world's dinosaur ancestors. While helping to decorate the town, gray wolf Legoshi runs into Netherland dwarf rabbit Haru and finds he is still inexorably drawn to her. Is it a crush or bloodlust? Is it her or any small animal? Relationships are complicated for carnivores–their bird classmates lay the eggs they eat, and some desperate herbivores even sell their body parts on the black market.

THE EMINENCE IN SHADOW, Vol. 1

Writer: Daisuke Aizawa
Artist: Azunishi

Shadowbrokers are those who go unnoticed, posing as unremarkable people when in truth, they control everything from behind the scenes. Sid wants to be just like that more than anything, and boring reality isn't going to get in his way! He trains in secret every single night, preparing for his eventual rise to power—only to denied his destiny by a traffic accident. But when he wakes up in another world and finds himself at the head of an actual secret organization, he'll finally get a chance to act out all of his delusional fantasies!

AN ARCHDEMON'S DILEMMA: HOW TO LOVE YOUR ELF BRIDE LIGHT VOLUME 1 SC

(W) Fuminori Teshima (A) COMTA

Zagan is feared by the masses as an evil sorcerer. Both socially awkward and foulmouthed, he spends his days studying sorcery while beating down any trespassers within his domain. One day he's invited to a dark auction, and what he finds there is an elven slave girl of peerless beauty, Nephy. Having fallen in love at first sight, Zagan uses up his entire fortune to purchase her, but being a poor conversationalist, he has no idea how to properly interact with her. Thus, the awkward cohabitation of a sorcerer who has no idea how to convey his love and his slave who yearns for her master but has no idea how to appeal to him begins. (STL135134) (C: 0-1-0)

The day after Ray and Hugo faced off against the vile Gouz-Maise Gang, the city of Gideon was far livelier than usual, brimming with excitement and anticipation for a certain event. As one would expect from a metropolis bearing the title of "city of duels," the event was a match between two highly notable duelists: Figaro, the local hero, and Xunyu, one of the most powerful individuals from the far-east empire of Huang He. Both were Masters wielding the powers of Superior Embryos, and both would give their all to fight, make merry and emerge victorious. But a malicious plan unfurls itself in the shadows, who is it that seeks to strike the Kingdom of Altar at its most vulnerable? When they were accused of trying to overthrow the monarchy, the feared warriors the Seven Deadly Sins were sent into exile. Princess Elizabeth discovers the truth - the Sins were framed by the king's guard, the Holy Knights - too late to prevent them from assassinating her father and seizing the throne! Now the princess is on the run, seeking the Sins to help her reclaim the kingdom. But the first Sin she meets, Meliodas, is a little innkeeper with a talking pig. He doesn't even have a real sword! Have the legends of the Sins' strength been exaggerated? (STL134950) (C: 1-1-0) **NOTE:** Not available in Australia, Singapore or the Philippines.

HOW A REALIST HERO REBUILT THE KINGDOM VOLUME 5 SC (LIGHT NOVEL)

(W) Dojyomaru (A/CA) Fuyuyuki

Summoned to another world to slay the mighty beast of governance! When the aggressively pragmatic Kazuya Souma is summoned to another world as a hero, he's not given a quest, he's given a kingdom to rule. On top of that, he's betrothed to the previous king's daughter! To get the country back in order, Souma gathers a group of gifted individuals to his side. Will their impressive talents and his own knack for logistics be enough to get the country on its feet again? (STL135027) (C: 0-1-0)

MOBILE SUIT GUNDAM WING: GLORY OF THE LOSERS VOLUME 14 GN

(W) Katsuyuki Sumizawa (A) Tomofumi Ogasawara, Yoshiyuki Tomino

A longtime hit of the Cartoon Network, *Gundam Wing* remains one of the most recognized Japanese titles in recent history spinning off a number of movie, books, and model kit collections. *The Glory of Losers* retells the original *WING* story by incorporating elements of the anime and its recent light novel adaptations. Following the actions of five fighters and their mobile suits (large robots made for destruction), *Gundam Wing* is a heavily political, dramatic action work that is centered around a war between Earth and its surrounding colonies in space. (STL135002) (C: 1-1-0) **NOTE:** Available only in the United States and Canada.

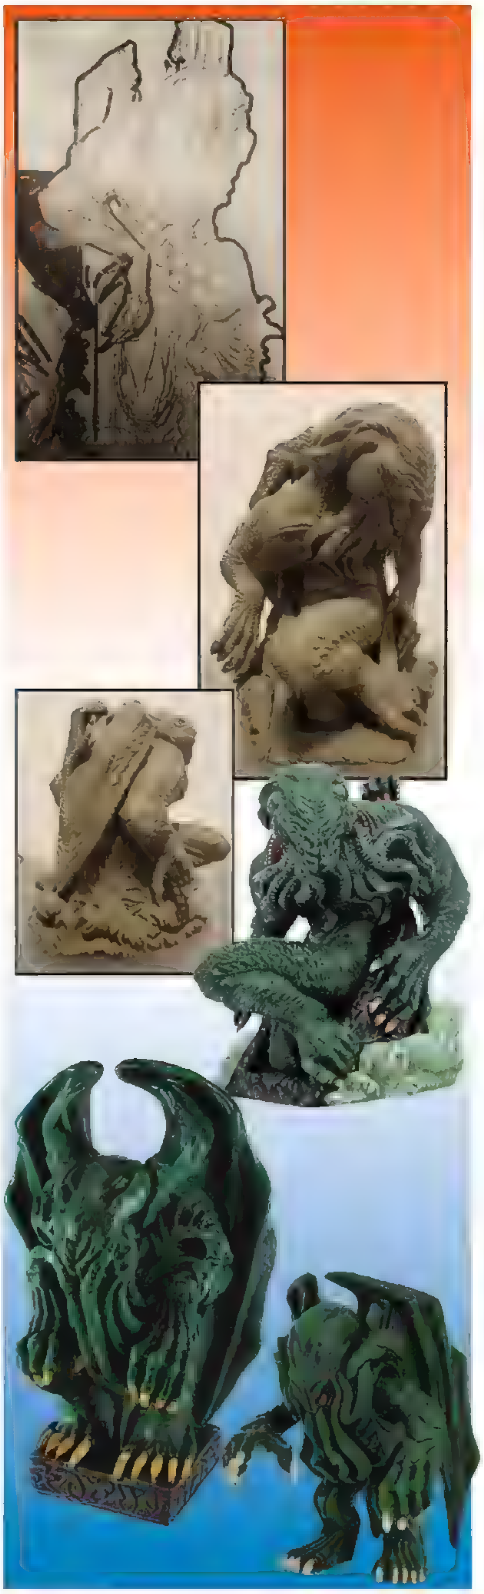
TOY TALK: ELI LIVINGSTON

Toys, Statues and other collectibles don't just magically appear on store shelves. A lot of work goes into the concept, design, sculpting and final production of these items, and many of the people who work behind-the-scenes with companies like Diamond Select, DC Collectibles and Gentle Giant, among others, remain mostly unknown to their appreciative audience: the final consumer.

With *Toy Talk*, we hope to introduce you to the artisans behind some of your favorite collectibles, and to let them enjoy their well-deserved moment in the spotlight!

This month, we welcome *Diamond Select Toys Sculptor,* ELI LIVINGSTON...



PREVIEWS: How did you get involved in the toy industry as a designer/sculptor?

Eli Livingston: I got involved in the Toy Industry as a sculptor when I was having a hard time finding work in the movie FX Industry. I actually started by sculpting small parts and accessories for a company called Art Asylum in the late '90s, and I eventually worked my way up to doing full figure sculptures.

P: You've done several Cthulhu pieces for Diamond Select Toys. Have you always been a fan of HP Lovecraft's monster creations?

EL: Well, when I was younger, I was fascinated by the images and designs that the Lovecraft stories had inspired, as well as a few songs from some popular metal bands. However, as I got older, I decided to actually read the stories themselves before sculpting/designing the pieces themselves, so I could have a slightly more in-depth idea of what I could do.

P: What was your process for designing the* Cthulhu Gallery PVC *Diorama for Diamond Select Toys?

EL: Regarding the PVC Diorama, for starters I wanted it to be the opposite of the *Cthulhu Idol Bank* I did, for variety's sake. So, the first thing I wanted was implied action to it. I also wanted to portray the character in a way that I had not seen in sculpture before, but faithful to the story, which was it awakening. Also, I wanted to adhere to the more sci-fi aspect of Cthulhu, mostly that the creature is prehistoric, yet intelligent and otherworldly at the same time.

P: You've also sculpted a* Cthulhu Vinimate*, the previously mentioned* Cthulhu Bank*, and the upcoming* Legends in 3D Cthulhu Bust*. Tell us about the challenge of sculpting the Great Old One in these different ways...

EL: Yes, I did — guilty! I would say the biggest challenge with those subjects was mainly the *Cthulhu Idol Bank*, mostly because of the limits on the manufacturing. It was a hollow, vinyl bank, so I had to come up with a design that would work in those parameters. Although the *Cthulhu Vinimate* vinyl figure was really just based on the Cthuhu Bank standing up, I had to make it fit into that "Vinimate Universe" block-figure style. When I did the *Legends in 3D Cthulhu Bust* (*Coming soon! – Ed.*) that set the standard for the current Gallery diorama, but I would admit it was where I really had to put some real thought into it. For starters, I didn't want it to look like a giant guy with an octopus on its shoulders, rather a slightly complex organism that was adapted for a primitive or alien ecosystem that could pass for octopoidial.

PREVIEWS EXCLUSIVE INJUSTICE 2 BATMAN ENHANCED VERSION IS READY TO FIGHT

There may be no shortage of Batman action figures on the market today, but it's the details that make this one stand out from the crowd.

Based on Batman's appearance in the popular fighting video game, *Injustice 2*, the Hiya Toys *Injustice 2: Batman Enhanced Action Figure* features a brand new sculpt that captures every detail from Batman's design featured in the game.

Every plate of armor, every pouch, the integrated cloth cape, and even the character specific accessories like his kryptonite infused brass knuckles and grapnel gun are captured with the fine detail you would expect from a premium figure. The exquisite paint job faithfully recreates the eye-catching textures that make the in-game model come to life.

Standing about 3 3/4" tall, this Batman features full articulation with smooth joints but strong joints that allow you recreate your favorite scenes from the game for display or play. Make sure to add this one to your collection!

THE WORLD OF NINTENDO COMES TO LIFE WITH A NEW WAVE OF FIGURES

Whether you're a fan of classic Mario games or you've collected every moon in *Mario Odyssey* the new wave of *World of Nintendo* 2 1/2'" figures from JAKKS Pacific are the perfect way to celebrate your love of Nintendo.

Great for kids or adult collectors, these durable figures with multiple points of articulation capture the whimsical fun inherent to Nintendo's lovable band of iconic characters. From the adorable vacant expression of the Cheep Cheep to the endearing silhouette of Yoshi's round snout, these cute characters are sure to elicit a smile every time you look at your collection.

This new wave also includes two Mario variants from his most recent adventure, *Mario Odyssey*. Joined with his new pal, Cappy, Mario appears to be ready for action with his classic look and dressed to impress in his slick new wedding outfit. These two new figures capture the sincere can-do attitude that drives Mario on all his adventures through the Mushroom Kingdom.

Show your love of Nintendo's classic characters by jumping over to your local comic shop to pre-order the *World of Nintendo Wave 20 Figures!*

DIAMOND SELECT TOYS FINDS JOHN WICK WITHIN ROME'S CATACOMBS

M-15

Keanu Reeves' *John Wick* films have been beloved by audiences, and Diamond Select Toys has brought his driven assassin to life with a series of figures and dioramas. The latest in the series, the *John Wick Gallery: Catacombs PVC Diorama*, depicts Wick, beneath the streets of Rome, from the second film in the series. Wielding a shotgun, the bullet exiting the barrel in a gout of flame, Wick stands 9" tall in a piece designed by Caesar and sculpted by Rocco Tartamella. Add this to your John Wick collection this winter!

AFTER 80 YEARS, CAPTAIN AMERICA'S SHIELD REMAINS A POTENT SYMBOL

In 2019, Marvel Comics is celebrating eighty years of publication, back to the original Marvel Comics #1, and Hasbro is joining the celebration with a line of 80th-anniversary toys and merchandise! The *Avengers Legends Gear: Captain America 80th-Anniversasry Shield* is a reproduction of Captain America's vibranium shield. Measuring 24" across, you can carry this shield and feel like you, too, are the world's patriotic champion!

BEAST KINGDOM BRINGS FANS AN IRON-SPIDER STATUE BASED ON THE COMICS

M-74

Marvel Studios' *Avengers: Infinity War* introduced cinema audiences to Spider-Man's Iron-Spider armor, built by Tony Stark along the lines of his own Iron Man armor, but comics fans had already seen it in the pages of Marvel Comics. Inspired by its appearance in the film, Beast Kingdom brings collectors the ***PREVIEWS*** Exclusive *Avengers Infinity War: Iron-Spider "Comic" DS-105SP D-Stage Statue*, a six-inch tall statue of Peter Parker in his mechanical Spider-Man suit from the original comics. ROMULAN WARBIRD

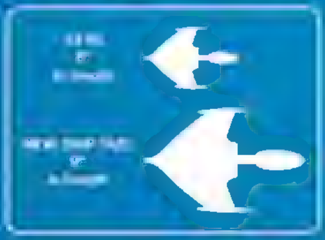
9" Special Issue



Uncloaking off the starboard bow is the **ROMULAN WARBIRD**, the latest XL addition to the **STAR TREK** range. This large D'deridex-class vessel was a mainstay of the Romulan's fleet of starships in the 24th Century. Heavily armed, the Warbird was a formidable opponent in combat, and was capable of evading detection by employing its cloaking shield. Making its first appearance in 'The Neutral Zone', the final episode of the first season of **STAR TREK: THE NEXT GENERATION**, the Romulan Warbird appeared in many subsequent episodes of **STAR TREK** on television. The model is approximately 9 inches long and is produced in a combination of die-cast and high quality ABS materials.

SON'A FLAGSHIP

Special Issue

The nineteenth special release from **STAR TREK: THE OFFICIAL STARSHIPS COLLECTION** is the **SON'A FLAGSHIP**.

The Son'a Flagship is an impressive, detailed model of the starship commanded by Adhar Ru'afo, the leader of the nomadic Son'a. Ru'afo used the Flagship as the command post for his attempt to forcibly relocate the Ba'ku people from their adopted homeworld in the region of space known as the Briar Patch. The Son'a Flagship appeared in the movie **STAR TREK: INSURRECTION**. The model is 7 inches long and is produced in a combination of die-cast and high quality ABS materials.

WONDER WOMAN™
PRINCESS
OF THEMYSCIRA

14" POLYRESIN STATUE

Inspired by Wonder Woman's ties to Greek mythology, the WONDER WOMAN: PRINCESS OF THEMYSCIRA STATUE reimagines her as a classical Greek sculpture.

Paying homage to the famous **Venus de Milo**, the **marble-colored polyresin statue** measures **14 inches** from the base of the plinth to the top of the spear and features **gold-accented** versions of the Super Hero's iconic bracelets, lasso, and other accessories. The **spear** is removable and the rim of the **shield** is inscribedwith Wonder Woman's classic epithet in **Greek lettering**: "Beautiful as Aphrodite, wise as Athena, swifter than Hermes, and stronger than Hercules."

超激造 HYPER SOLID

ART SPIRITS AT-041 HYPER SOLID SERIES GIGAN LIMITED EDITION

A fan favorite kaiju returns to the Art Spirits elite Hyper Solid series in a new limited edition version! In 2004's Godzilla: Final Wars Godzilla fought Gigan early on, decapitating it during a battle in Antarctica.

That first appearance was captured in a previous Hyper Solid series statue, but now the monstrous creature is back, just like in the film. Rebuilt by the Xiliens with crazy new weaponry the so-called "Modified Gigan" comes to life as the ART SPIRITS AT-041 HYPER SOLID SERIES GIGAN LIMITED EDITION!

The upgraded Gigan stands just under 10 ½ inches tall on its highly detailed urban rubble display base. This incredible kaiju with its chainsaw hands will absolutely dominate your collection, whether you have it displayed alone or facing off with other Solid Series entries like Godzilla!

GODZILLA II

ART SPIRITS AT-042 HYPER SOLID SERIES GODZILLA 2019

There can only be one king of the monsters, and it's back like never before. Up next in the Art Spirits elite Hyper Solid series is the most recent film incarnation of everyone's favorite kaiju GODZILLA 2019 as it appeared in the 2019 blockbuster Godzilla: King of the Monsters!

An evolution of the 2014 kaiju as seen in the "MonsterVerse" series from Legendary Pictures, the monstrous reptilian creature is captured in a wide stance, legs apart and head held high as it unleashes a powerful roar. Godzilla is massive and imposing with great bulk, thick legs, a tremendous tail, claws, and of course its signature dorsal plates that ripple with internal energy. The king of the monsters is replicated with expertly sculpted skin texture, and every detail down to its claws and the unique shape of its face, snout, and teeth.

PATHFINDER ADVENTURE PATH: AGE OF ASHES PART 5: AGAINST THE SCARLET TRIAD

(W) John Compton

The Age of Ashes Adventure Path continues! The heroes have clashed many times with the Scarlet Triad, and have defeated several lower-tier leaders within the slaver organization, but now the time is right to confront the evil slavers in their fortress! Yet the Scarlet Triad has the support of Katapesh, one of the largest cities in the land. Before the heroes can finish off the Triad, they must first find a way to ruin their reputation and erode the protection afforded by Katapesh's powerful Pactmasters. But what astonishing secret regarding the Scarlet Triad's true ruler awaits discovery beneath an ancient Red Pyramid? (STL131645)

GATES
OF DELIRIUM

GATES OF DELIRIUM BOARD GAME

You have finally set out to find the truth. You've heard the rumors of ancient runes and the lost pages of a scattered tome that tell of ancient and evil monstrosities; calling for their return. You've heard tales of those who came before you in this search losing grip on their sanity as they grew nearer to the truth. As you press on you can't help but notice that you feel less attached to reality yourself. Some days you lose track of time and can't account for hours of the day. The whispers of secret gates to another world are growing stronger, and while no one knows who is building them... You have a dreadful hunch... Could you be the hidden architect of the Gates of Delirium? (STL136147) (C: 0-1-2) **NOTE:** Available only within the United States and U.S. Territories.
